# Expanding our Horizons

In 1911, the Goodman Campus of Holmes Community College was first established as an agricultural secondary school. In 1926 it was decided to expand the boundaries and curriculum. A year of college courses was added and it caused the school to be called Holmes Junior College. Afterwards, the high school portion of the school was closed and Holmes became an accredited two-year academic junior college. In 1986, the college was expanded, yet again, with the addition of the Grenada and Ridgeland campuses. The name 'Holmes Junior

---

By Ashley Dees and  
Krystle Cain

---

College' was then discarded in 1989 in favor of Holmes Community College. Since then, Holmes has expanded the college even further by adding two satellite campuses in Kosciusko and Eupora. That arrangement makes it even more convenient for students to attend Holmes.

The Holmes Community College known today has an overwhelming friendly faculty and staff,

a wonderful selection of academic and vocational course curriculums, beautiful scenery and student activities. In the 2005-2006 school year, Holmes saw a tremendous increase in enrollment, which brings the student total to over 5,000.

With the passing of time, Holmes continuously strives to improve the existing curriculum. With all that Holmes has to offer, it is no wonder that so many have come here to further their education. Students will one day look back with great memories of their college days at Holmes.

(Above) Ceresa Sims, Director of Student Activities on the Goodman Campus, shows off her colorful side.

(Left) The Ridgeland Campus holds bits of wisdom at all corners of its campus.

Various student activities, including a back to school cookout, Spring Fling and Fall Fest, all give students a chance to mingle and relax. (Far right) Students take advantage of the activities.

Homecoming festivities are always a popular experience on all Holmes campuses. Above, the baseball team partakes in the parade with an impromptu float.

(Right) Jared Clark has a mouthful with his plate at the back to school cookout. The cookout is a great way to interact with new classmates and catch up with old ones.

# Expanding our Culture

by Nikki Hines

The sleepy town of Goodman is rather laid back, which does not sustain newly christened college students fresh on new independence they have not had before. In order to break the cycle of monotony, Holmes Community College offers exciting student activities and an amazing student body. All of that makes Holmes all that it is today and all it will be in the future.

Holmes is a place where livelihood is never in short supply. On or off campus, you are sure to have an interesting experience worth retelling and remembering. Campus life at Holmes boasts many activities throughout the school year, including Fall Fest, Spring Fling and various Homecom-

ing activities, just to name a few. Your interests are sure to be enticed by the wide array of clubs and organizations on all three campuses. Baptist Student Union, Phi Theta Kappa, Connection!. Ambassadors... they are only a bit of the wide array of clubs offered.

Move-in day for dorm students is always an exciting time. Meeting new and greeting old friends makes the time fly so quickly, you do not even notice how many times you climbed the stairs. Dorm life is always a different experience for everyone, but

is also the place of late-night chatter, popcorn and movies, while mischievous doings are also a ritual for the dorms on the Goodman Campus. The cafeteria is where most dorm students dine with many options. However, the majority of the students opt to stop and check out Rick's Drive Inn or McAllister's, local eateries and Holmes hotspots.

All in all, student life is always an exciting time while HCC manages to evoke a culture all on its own with its own rules.

(Above) A hungry student gabs on her cell phone as she fixes her plate at one of the many outdoor meals Holmes offered during the year.

(Right) Dorm students who dined in the cafeteria for dinner one day had an encounter with the Tyson chicken mascot in honor of the new chicken time.

(Right) The new guard house keeps security out of the weather and serves as an obvious check-point for travelers.

# Expanding our Safety

By Ashley Dees and  
Candace Fair

There is no place like home and now there is no place safer than Holmes. Safety is a tall issue here at Holmes Community College that is improving with each passing semester. Many students felt a little wary about the safety level of the Goodman Campus last spring when Dwaeuntre' "D.D." Davis, a freshman football player, was shot and killed outside the Canteen during the last dance of the year. The tragedy shook up the casual atmosphere of the campus and started a revolution in increased safety measures.

One of the more prominent safety measures is the lock down and checking of IDs. After 7 p.m., all incoming traffic must identify themselves as Holmes students by means of their Holmes identification cards. The traffic is stopped at the new guard house

at the West entrance of the school between the Math and Science Building and Cosmetology Center. All other entrances are blocked by wooden horses.

Officer Addie Lusk states that "safety is better this semester because the campus has stricter rules." The safety precautions have made students feel more secure, thus giving more students the confidence to be out on campus during the evening hours as campus police patrol the streets more diligently. Students feel more safe if they so desire to walk around the coliseum for an evening exercise during the cooler hours of the day or to simply step out for some air.

Outside traffic from the outer areas around Holmes onto the campus nearly came to a halt when the patrolled gates went up.

The welfare of the students, faculty and staff is a top priority and every measure is being taken to ensure their safety while they are on the campus. There is always more than one person on duty patrolling the campus, especially at night. The campus police consist of John Crayton, Hubert Robertson, Joey Netherland, Tony McDaniel, Jamie Riley, Addie Lusk, Brian Wooten, Josh Leopard and Robert Safold.

(Above) Addie Lusk supervises the Can activities while enjoying them as well.

(Left) Joey Netherland and Brian Wooten work at a fall basketball game.

(Above) There are even mystical spots on campus next to the lake with a gazebo hidden among the weeping willow trees.

(Right) Great time is taken to ensure the landscapes of all campuses are clean and beautiful.

# Expanding our SURROUNDINGS

A healthy sprinkling of azalea bushes and magnolia trees, along with a thick frosting of green grass are some of the botanical staples for the recipe of a proper Southern environment. The environment of Holmes Community College follows this creed to a lovely tee by evidence of the grounds of the campuses.

The large magnolia tree outside McDaniel Hall, accented with thick, stately shrubbery, gives the McDaniel Hall a professional feel that is befitting for the administrative duties carried out by the deans within its old brick walls. Within viewing distance of McDaniel Hall is the Grove. The greenery of the Grove surrounds the brick and stained glass Chapel on the Hill. Stone benches are strategically placed on the grass and along the winding sidewalk for easy access to a seat to study, relax or to simply enjoy the view.

Not too far away, beside Cook

---

By Ashley Dees

---

Dorm, sits the gazebo beside the lake. It is one of the more enchanting places on campus with weeping willows draping their strands over one of the bridges to the lake and the gazebo. Many pictures are taken at this particular spot for the relaxed and beautiful aura it radiates to the students and staff. Even the legend of the alligator within the lake does not seem to turn away anyone looking for a place of solitude in the gazebo.

A constant stream of maintenance personnel is seen cutting grass, planting and pruning everyday to keep the grounds of the college fresh and picturesque. Even in the cooler months, color is still seen on the campus in the form of holly berries and the golds and browns of the fallen leaves in the fall. The leaves coat the sidewalks like a

carpet as students travel to their designated classes.

The dorms are kept in an impeccable state with their greenery and potted plants outside the lobbies. The grass is never too long for any sport or musical activity practice. The recipe of beauty on all Holmes campuses is a unique and precise one, but one that is executed for the pleasure of all who see it.

Every part of the Goodman Campus has a feature that draws students to it. Whether it is paddle boats by the lake, the observatory, a particular hill or tree, it is something special to a particular student on the campus.

(Above) The entrance into the baseball field is decorated with stately greenery for the noble sport.

# Expanding our Futures

By Laura Shrock

As you scan the students' faces in this yearbook, try to imagine what each was like as a child. Most had dreams of becoming something heroic and exciting 'when they grew up' such as an astronaut, a NASCAR driver, a doctor or a fireman. We were only limited by our own wild imaginations. Today, though slightly different from childhood, we still have our dreams; only now they are within our reach. Our future is expanding daily and by attending Holmes Community College, the possibilities that await us stretch farther than the horizon.

Every year, HCC hosts a College Fair to help aid students in choosing what institution they will attend next to enrich their future one step more. All universities from Mississippi bring information and applications to share with possible recruits. A friendly representative from each college greets students and supplies them with useful facts that

highlight the features available on their respective campuses. They are eager to help Holmes' students and answer any questions that are voiced hoping to ensure a place in their future.

Holmes' advisors are another group of people on the campus who are always anxious to assist students in any way. They are willing to help students via office visits, telephone conversations, emails or in casual passing on the sidewalk. They have a yearning for their students and an earnest desire to see them expand their futures. Freshman Brittany Drake said, "I chose to attend Holmes because it was a good transition phase between my small high school and a large four-year university. It is comforting knowing that the teachers are interested in your life and where your future will lead." This friendly atmosphere, created by

our faculty and staff, is often what attracts college students to begin this major academic milestone of their lives at HCC.

From the young boy with the dream of being a race car driver, to the little girl who could not wait to be a teacher, the goals all students have for their future are just as diverse as the students themselves. Holmes is geared to helping its students build a strong foundation in order to obtain their dreams and ambitions. Armed with immeasurable knowledge, students who leave Holmes and enter into the workforce or go on to a higher institute of learning know that their future was made brighter and richer by having attended Holmes Community College.

(Above) Filling out college forms is a tedious, yet necessary task.

(Left) Some students choose not to further their careers, but instead apply for jobs at the college/career fair.

# A Bulldog Affair

By Ashley Dees

We live in a fast moving, non-stop, grab on or you're going to be left behind sort of world. Technology improves everyday and leaves the inventions of yesterday obsolete. Trends come and go like yesterday's lunch menu while a bit of wind and rain can forever change a state and nation.

However, here at Holmes, we are just as into the fast moving world as Hollywood. What was the rage? The wide legged gaucho pants were an airy way to deal with the *sometimes* oppressive Mississippi heat. Half sweaters and ribbon/tie belts complemented the

look while fashion forward females carried a hobo sequined bag. Crocs were a foot fetish for both sexes. The comfortable, colorful shoes were on at least twenty pairs of feet at a time. However, when the weather finally began to take a turn to the cooler temperatures, furry ugg boots were walking all over.

World issues also came to a head at Holmes. The Iraqi 'War' brought anxiety to many students and faculty with

friends, family and loved ones in the Middle East, communication sparse. In August, Hurricane Katrina, a category four hurricane, ripped through Mississippi, uprooting the coast and hitting the Goodman Campus with a category one Hurricane. In the aftermath, the students felt the pain and destruction through personal knowledge or by simply seeing the footage on CNN. Many groups, such as Phi Theta Kappa and Phi Beta Lambda sent supplies and PTK even went to the coast to help clean up and came back with an unforgettable experience.

Above: The ever popular Crocs, which can be worn with or without socks, depends on the weather.

Left: Silky tops and fitted jackets were a smooth, professional look for many ladies this year, including Lane Cox and Brittany Roberts.

# Holmes Will Remember

*D.D. Davis*  
by Kaila Douglas

Last spring, the Goodman Campus of Holmes lost a fellow student. Dwaecentre "D.D." Davis was a player on the HCC football team. According to his teammates, "D.D. was an inspiration to us." He brought both determination, hard work, and the desire to be all that he could to the team. "He

will be missed on and off the field. He would have been a huge factor on the defensive end of the field." The HCC coaches said.

The athletic department has retired D.D.'s jersey number, No. 11. During the Bulldogs game with Northwest Mississippi Community College on September 29, Head football Coach Hugh Shurden, along with interim Holmes president, Dr. Glenn Boyce and Dean of Students, Andy Wood, presented Davis' family with his framed jersey. On the east end of the football field in the left corner, a permanent aluminum marker with a raised image of Davis is placed on a brick backdrop to immortalize his memory.

The marker has a sketched image of Davis and is inscribed as follows: On April 27, 2005, the Holmes Community College family lost one of its own. D.D. will be remembered for his many contributions to the Holmes Community College football team and the college as a whole. His memory will be carried in the hearts of his teammates, coaches, fellow students, faculty and staff.

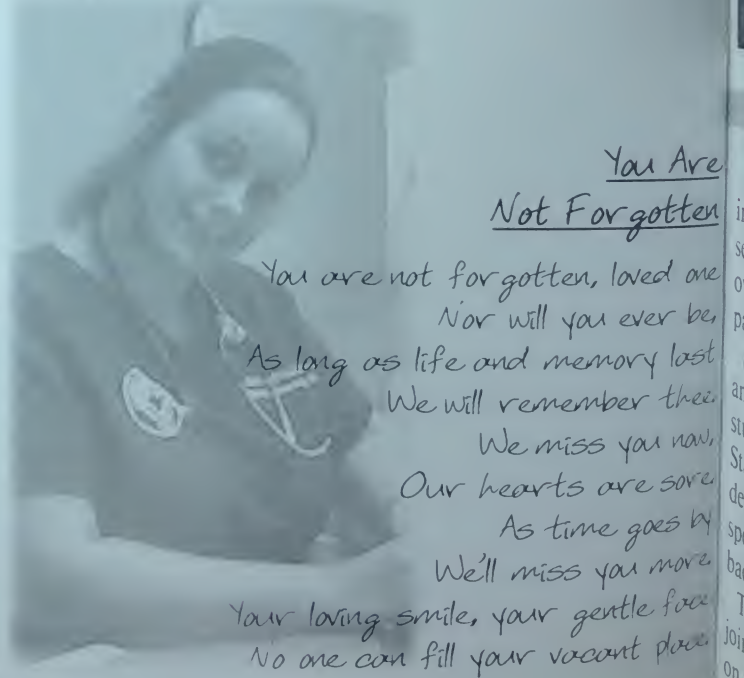

*Michelle Villella*

The world of the Grenada Center changed on Friday, October 28, 2005. Michelle Villella, an ADN student, left home in Batesville to take her son, Brennan, to school just like any other day before clinicals. However, she was killed in a car accident. She was found covering her small son's body in an act of protection

against the crash. Michelle left this world doing what she always did, helping others. Michelle was a testament to her entire class, living daily as a role model of what it takes to be a nurse. She somehow found the perfect combination of being a good student, an active class officer, an ethical clinician and a loving mother. The New Orleans native attended the Grenada Center as an ADN student and planned to graduate in May 2006.

Her bright smile, contagious laugh, and loving spirit touched each and every person she met. Her commitment to caring made her the ultimate student and patient advocate.

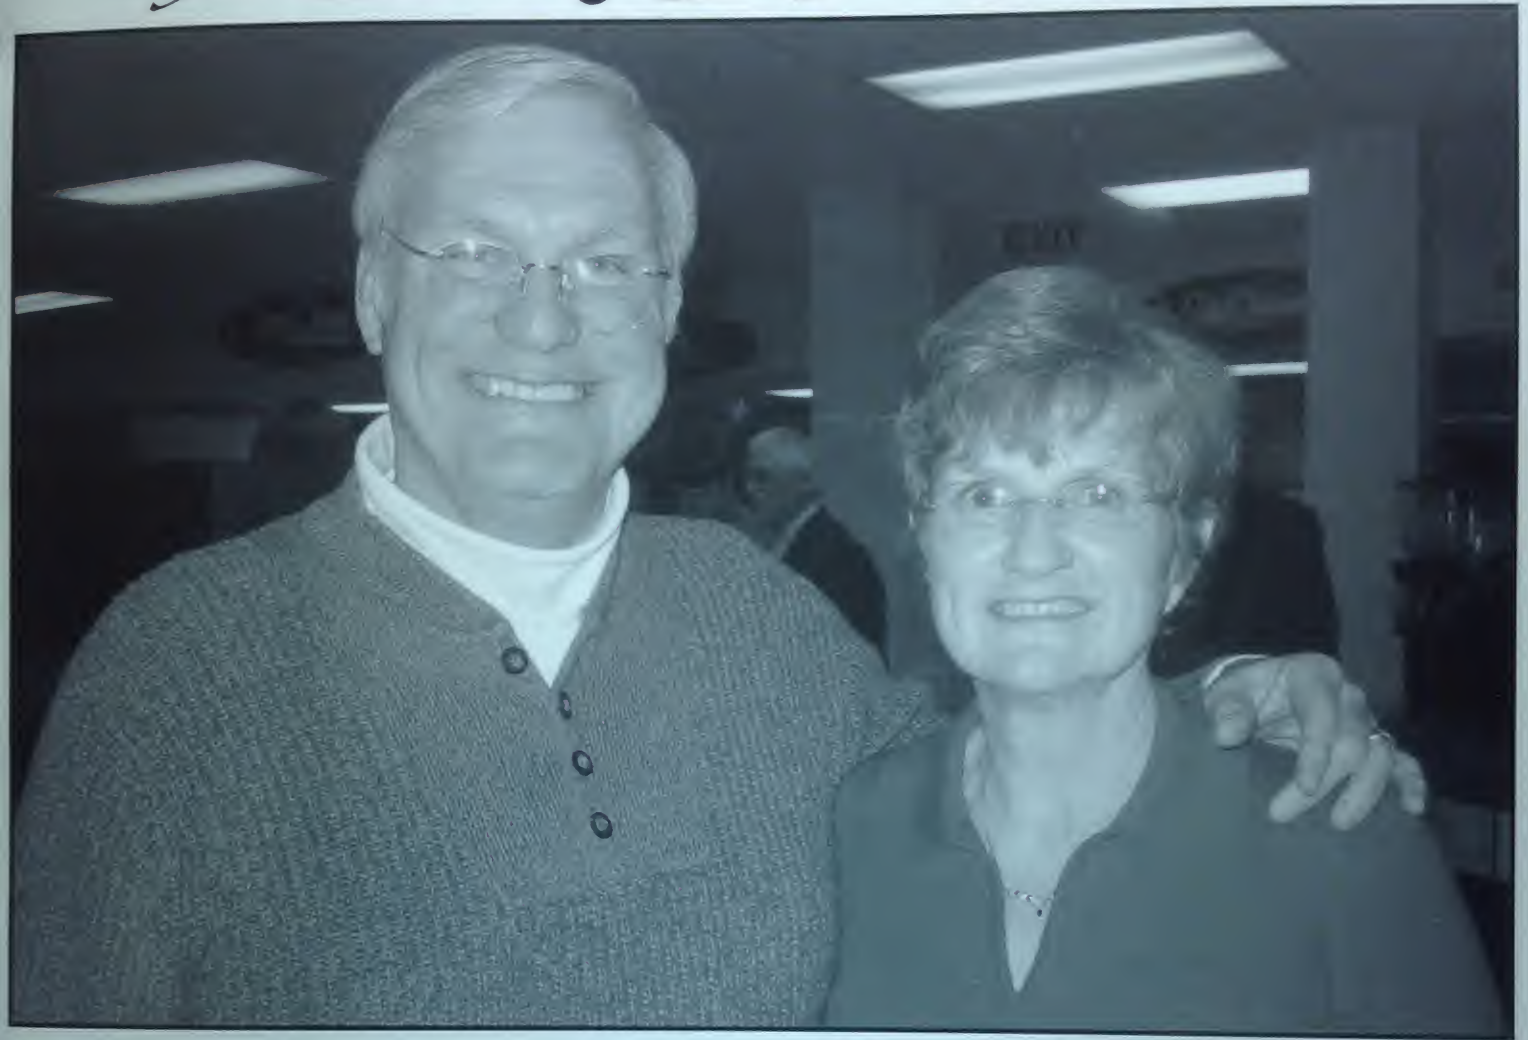

## You Are Not Forgotten

You are not forgotten, loved one  
Nor will you ever be  
As long as life and memory last  
We will remember thee  
We miss you now,  
Our hearts are sore  
As time goes by  
We'll miss you more  
Your loving smile, your gentle face  
No one can fill your vacant place

# Dedication

*Joe and Betty Sue Adams*

The 2006 Horizons is dedicated to two commendable individuals, Joe and Betty Sue Adams. The Adams have served Holmes Community College whole-heartedly for over 30 years. Side by side, the couple has loyally been a part of the Holmes family.

As Weir natives and Weir High School graduates, Joe and Betty Sue began their affiliations with Holmes as students. Joe transferred from Holmes to Mississippi State University, where he received a bachelor of science degree, master of education degree, and education specialist degree. Betty Sue also later received her bachelor of science degree at MSU.

The couple ultimately returned to their alma mater and joined the Holmes staff. Betty Sue worked as a secretary on the Goodman Campus from 1974 to 1979. She then assumed the role of mathematics instructor in 1980. In 1972, Joe became an industrial education instructor for Holmes.

As the Ridgeland Campus developed, both decided to further their careers at this location. In 1987, Joe Adams succeeded Ridgeland Campus director, Carl Ray, and became the Vice President of Holmes Community College at Ridgeland. Betty Sue and Joe continue to serve Holmes: Betty Sue as a mathematics instructor and Phi Theta Kappa advisor for the Alpha Lambda Sigma Chapter, and Joe as the Vice-President.

The Adams make their home in Ridgeland. They have two children, Susan and Jeffrey, and a grad-daughter, Molly Kate.

It is apparent that both Joe and Betty Sue are committed to excellence here at Holmes. Dr. Glenn Boyce explains, "Joe and Betty Sue have Holmes Community College in their blood." It is for their long time service, devotion, and guidance, especially on the Ridgeland Campus, that this, 77th edition of Horizons is dedicated to Joe and Betty Sue Adams.

(Right) It's just another day at the office for Dr. Boyce.

(Below) Dr. Boyce chats with faculty members Billy Wilson, left, and Wayne Watkins, right.

# LEADING THE WAY

*Interim president, Dr. Glenn Boyce, reflects on the past year.*

by Laura Shrock

Teacher. Coach. Administrator. Yankee-turned-Mississippian. Encourager. Friend. Dr. Glenn Boyce, the interim president of Holmes Community College, has claimed many titles throughout his life. Originally a native of New York, Dr. Boyce has always had a love for education as well as sports. These interests turned into a career, a career that eventually led him to HCC.

As interim president, Dr. Boyce has seen many areas of growth for Holmes Community College. The 2005 fall semester produced an 8.97 percent increase in enrollment, making Holmes currently the fifth largest community college in the state. Dr. Boyce feels like these numbers will continue to grow by offering new programs, surrounding students with a friendly atmosphere, and

maintaining a reputation for excellence. Along with an increase in students, the Ridgeland Campus itself is growing with the addition of the D.P. McGowan Workforce Training Center. This center, which will rank as one of the finest training centers in the southeastern part of the nation, will be a world-class facility for world-class training. Set to be in full swing by the 2006 fall semester, the 50,000 square foot center will have top-of-the-line equipment, technology, teachers, and skill-set curriculum to test the minds of the students and prepare them to compete in the workforce. As Holmes continues to expand, the institution's future as well as students seem promising and prosperous.

Dr. Boyce, as interim president, feels blessed by having filled this position and thankful for having established new relationships with fellow

colleagues and students alike. The past year at HCC has been busy but also memorable. This is definitely true having seen the faculty and staff rally together to repair the damage done by Hurricane Katrina, and receiving a great report and compliments from the SACS committee on the hard work the entire college displayed.

As students leave Holmes Community College, Dr. Boyce wishes that they feel as if they had been embraced, and their total needs as a student were of top priority to everyone at the college. A giver of countless hours of his time, touching speeches that influence all who listen, and encouragement to thousands of students, Glenn Boyce is most definitely a gifted teacher, a strong administrator, and truly a friend.

(Above) Dr. Boyce visits with Hubert Robertson during a football game.

(Left) During welcome week, students got a chance to get to know Dr. Boyce. Sitting are L to R: Hope McDill, Janet Taylor, and Mindy Haynes.

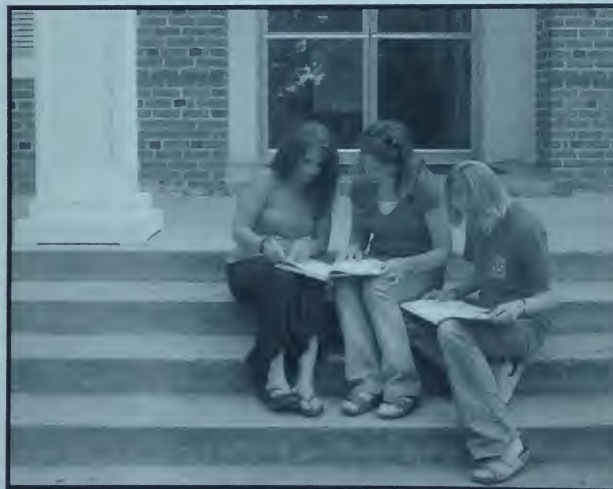

# Expanding Our ACADEMICS

To study all night  
To Pass the Test

# Art Department

by Ashley Dees and Chris Wilkerson

The Holmes Community College Fine Arts Department is the centrifuge of creativity on campus. For anyone interested in a career of music, design or theatre, Fine Arts is the place to begin and finish.

The Visual Art department, under the direction of Jay Cheatam, Fine Arts Department Chair, and Jerry Harris is a colorful world of paint, pencil, ceramics, other 3-D media and galleries. The freshly renovated gallery and drawing room brought excitement to the art majors and art-curious students alike. With the ever changing pieces in the gallery there is always a sense of student pride and appreciation.

For those with a more theatrical train of thought, the theatre department would become a second home. Under the direction of Jim Schroeder, students learn stage direction, scripts and the production means necessary to put on a successful show. Students also have the advantage of being a part of the theatre group, Holme Towne Players or the honors theatre fraternity, Delta Psi Omega.

Music is hardly ignored at Holmes. With a large musical selection from marching band to jazz to steel drum band, your musical flavor is sure to be tasted. Directors Gary Shepard and Jeffrey Brown lead the Bulldog band and it's many sub-bands. The marching band performs at football games and parades while concert takes center stage in the spring while the jazz band and steel drum band perform at various occasions everywhere.

Another branch of music is the HCC choir and Connection!, led by Doug Browning. The Holmes choir performs concerts with impressive vocal talent while the Connection! steals the show with their pop tunes and choreography. Janet Simpson, Kathy King, and Chaz Evans are also masters of music who instruct students.

Every branch of Fine Arts has its place at Holmes and it shows.

(Right) The Gallery displays the student art for everyone to observe and appreciate. (Below) The cast of 'A Bad Year For Tomatoes' takes a final bow.

(Below) David Henson prepares his design project to display in the gallery.

(Above) Doug Browning leads the Holmes Choir during the Madrigal Feast.

# Science Department

by Ashley Dees

Do pig intestines make you squirmy? Does centripetal motion make your head spin? Do molecules make you want to scream? If not, then the Science Department must be one of your favorite spots on campus. The science department consists of biologics, chemistries and physics with Robert Harris as the Chairman of the Math and Science Department.

The Science Department is a must for anyone interested in going into the field of science, medicine, research or teaching. It takes great dedication to be in the Science Department as the courses are equally as much demanding as they are interesting to the scientifically curious mind.

Each science course comes equip with a set of lectures and labs. The lectures occur mainly during the regular scheduled meeting time while the labs normally occur during the afternoon one to two days a week. In the labs, you could have a practical, where you perform experiments and apply what you had learned previously in the lecture, or you could be treated to a new lecture by the instructor.

The labs can scale off from many different points, depending on the subject. In biology, one could spend the afternoon slicing a bull's eye or pig rectum. Anatomy and Physiology, it is not unusual to see students cramming for the bone or muscle test. During chemistry, the mixing of chemicals is nothing new while in physics, you dare to prove velocity in experiments. The Science Department dares to test your questioning mind while enhancing it with needed facts that will come rather useful in your chosen field of study, or for the simple need of knowledge.

(Right) Zack Craft and Jordan Tyler look on as Dr. Micheal Burchfield shows his class the correct depth at which to take a sample from the pond.

(Bottom Left) Zalak Mehta examines tiny plankton from her water sample.

(Below) The line of preserved organisms studied by science students.

(Above) Biology instructor, Rosalyn Davis explains the importance of the microscope to her students, Trai'Ana Williams, left, and La Tisha Haynes, right.

# Vo-Tech

by Monica Morris and Katla Douglas

The Holmes Community College vocational center was established in 1966. It was designed for students interested in learning and designing new things for the future. The vocational, or vo-tech, building is one large building that is divided into different career sections, such as cosmetology, nursing, CAD, auto body and other sources of vocational studies.

The vo-tech programs offer technical trade and skills necessary for students interested in those particular workforces. The Holmes vocational program also has the ability to transfer the students' earned hours to a four year university if they so desire to continue on with thier education.

The Cosmetology program has been a great influence over the years for students at HCC. It has changed the way students look at a career in cosmetology. The students experience many different hair and nail styles as well as life-styles. In their first semester, students could not understand how it is important to their professional future to pass the state board, which will allow them to practice their field. However, by the end, the students are prepared and ready to pass the state board and open their own shop, a very popular goal in the department.

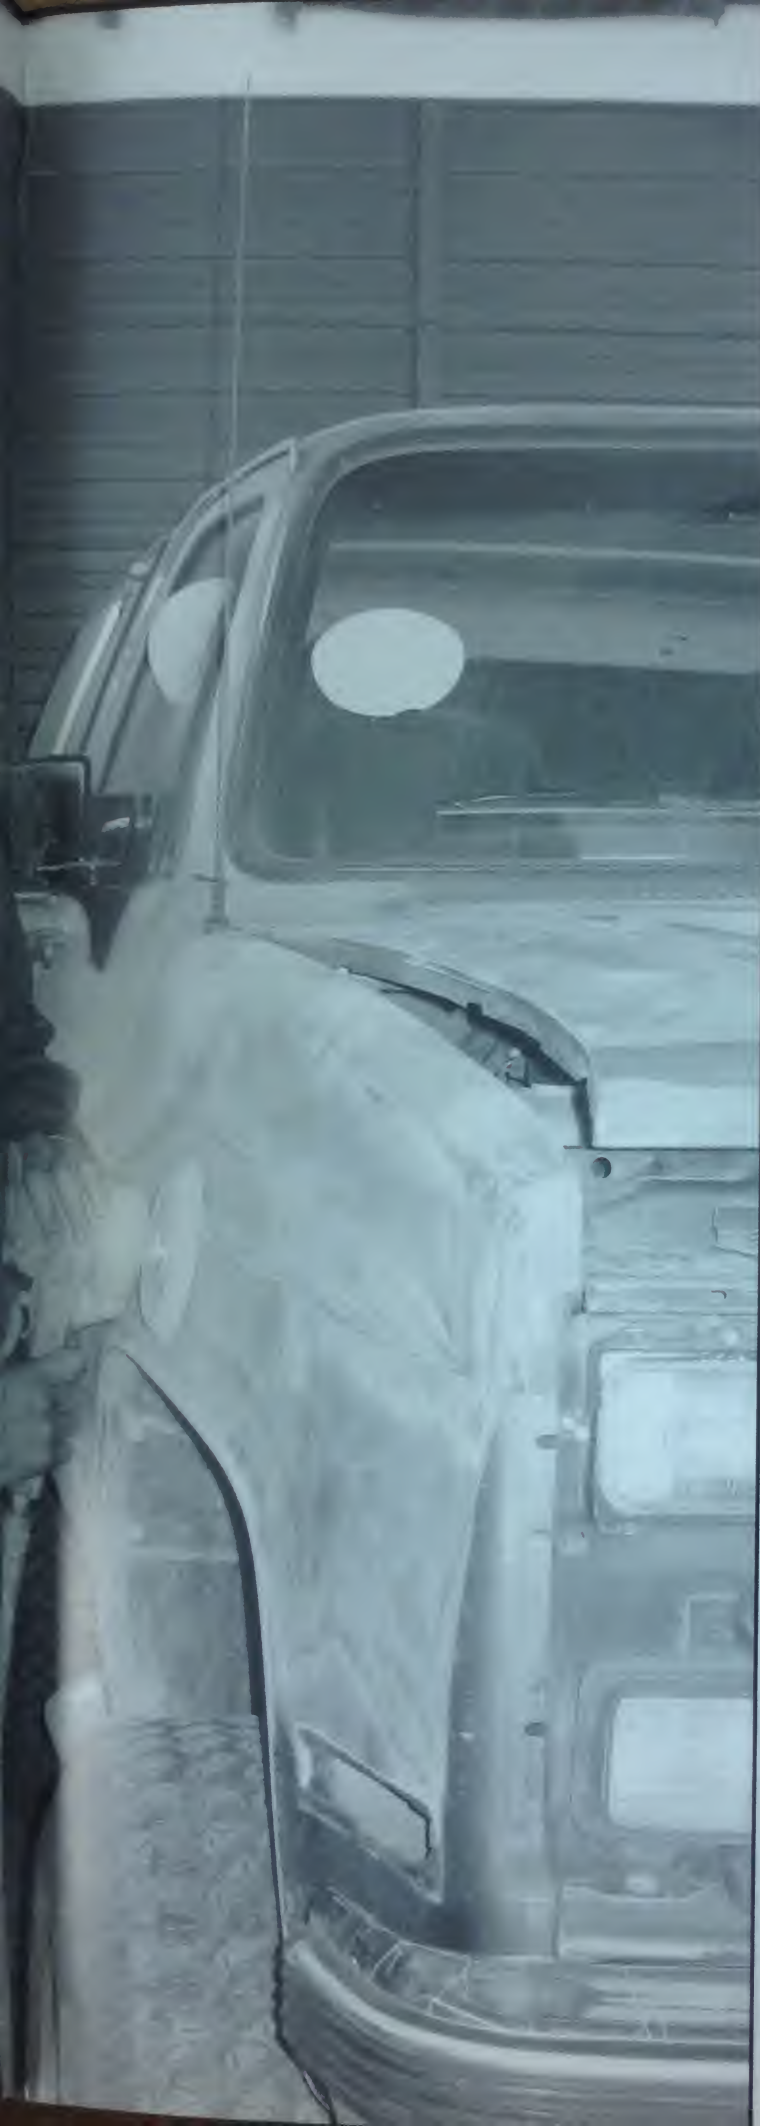

The nursing program is another successful vo-tech program with great success. The program prepares students for a job in the competitive medical nursing field. "Another year running smoothly" An instructor says.

Auto body has helped many students discover what they wanted to do in their career. In the auto body program, students repair damaged automobiles and learn the trades needed to work in that line of career. The vocational technical program of Holmes has helped many shape their career paths and will continue to do so.

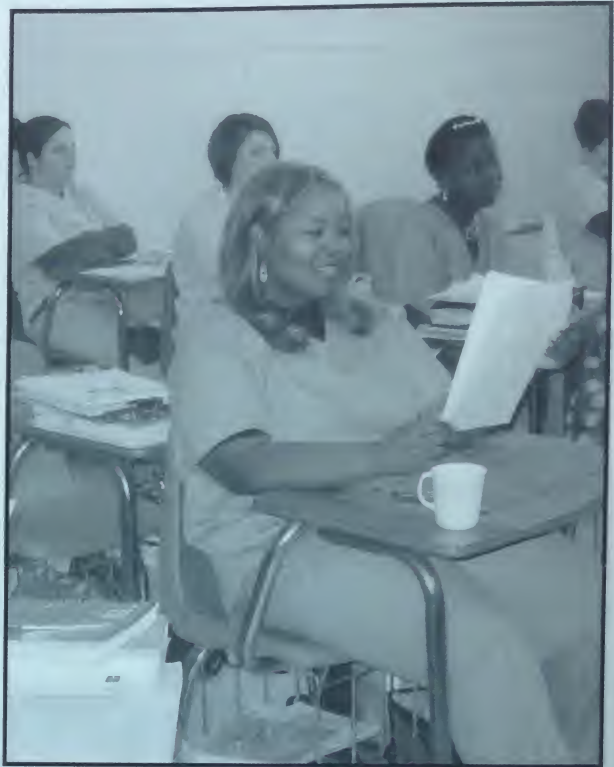

(Right) Trevor Cobbins sands the side of a truck during auto body repair. (Bottom Left) Andrew Evans prepares to plane some wood.

(Below) Valerie Hollins waits her turn to give her cosmetology presentation during class.

(Above) Jimmy Horne's welding students, Lance Ryals, left, and Jeremy Moore practice cutting metal pipes.

# Social Science

By Ashley Dees

Social Science is a broad section in the academic fields of study. The Social Science Department, under the direction of Chairman, Mark Rummage, includes humanities, histories and political sciences, all of which is required to graduate with a degree from Holmes.

The humanitarian portion of Social Science includes courses such as psychology and sociology. Each course is designed to take human studies a step further and inspect the elements of the psyche and of society. Sociology asks questions about human behavior in society that are normally left unanswered while psychology takes on a more chemical and mental approach.

For a more historical approach to social science, history courses are the choice of the students with selections ranging from western civilization to U.S. history. Each course is designed to recall past events and signify their importance in the past, the present and in the future. Even though history is a required course at Holmes, it is often a favored course choice of the students to take as an elective as the subjects, though broad, are colorful and interesting to many.

Political Sciences, such as government, take on the political side of history and humanities. It shows the different forms of government around the world and in the past, along with its effects on citizens. Like the other Social Science courses, it is taught with great knowledge and passion from its instructors in hopes that it will make an imprint and influence the students of Holmes.

(Right) Laurie Cheatham teaches her sociology class.

(Above) Mrs. Barton uses power point in her western civilization lectures.

Bettye Parham

Laurel Tyler

# HEADWAE 2006

Higher Education Appreciation Day Working for Academic Excellence, or HEADWAE, recognizes outstanding faculty members and students from each of the state's colleges. The program was begun in 1998 by Cecil Simmons, a Mississippi state representative. Those selected are invited in the spring to the state Capitol to spend the day. In addition to attending a luncheon in their honor, they are presented to the Senate and the House of Representatives.

This year's faculty representative is Bettye Parham, business administration instructor at Holmes' Grenada Center. The student representative is Grenada Center's Laurel Tyler, a nursing major. Recipients of the two honors are selected by a committee appointed by Holmes' president. The instructor's selection is based upon merit; the student's selection is based upon grade point average and difficulty of courses taken while at Holmes.

2006 is Parham's 19th year as a business administration instructor at Holmes.

A graduate of Amory High School, she received her AA in accounting from Northwest Mississippi Community College, a BBA in accounting from the University of Mississippi, and a MBA from Delta State University. In 1995 Parham was a member of the Economics Fellowship at the University of Arizona. She is also a member of TATYC (Teachers of Accounting at Two Year Colleges) and was the business administration department chair for Holmes from 1988 to 1999.

The Holmes instructor serves as the Wesley Foundation founder and director at the Holmes Grenada Center. During the early years of the Grenada Center, Parham was very instrumental in raising money and materials for the courtyard; she obtained \$10,000 from local businesses. Parham is also a member of the Grenada Garden Club and Grenada Junior Auxillary.

The college's student HEADWAE scholar, a Grenada nursing major, is Laurel Tyler. The Grenada High School

honor graduate is a 2005-06 Holmes Ambassador, Phi Theta Kappa vice president of scholarship, Manchester's Who's Who since 2005, and Tyler was recognized on the 2006 National Dean's List. Tyler has maintained a 3.78 GPA while attending Holmes. She has also received the HCC President's Scholarship, and the F.C. Annie P. Dailey Memorial Nursing Scholarship. Other achievements include: 2005 English Composition Award, HCC Grenada; 3rd place for her literary essay in the 2004-05 Mississippi Community College Creative Writing Association Literary Competition.

Tyler plans to pursue a bachelor's and master's in nursing at Delta State University, and a Ph.D. in nursing from University Medical Center in Jackson, Miss. Her ultimate career goal is to be a nurse practitioner and nursing instructor. Tyler also plans to be involved in patient education research and community health awareness programs.

# 2006 ALL ACADEMIC TEAM

## ASHLEY KOLAK

A Ridgeland Campus elementary education major from Madison, Ashley Kolak was the recipient of a Dean's Scholarship both her freshman and sophomore years at Holmes. She maintained a 3.89 GPA on a 4.0 scale.

Kolak served the Alpha Lambda Sigma Chapter of Phi Theta Kappa as vice president of leadership her sophomore year. She coordinated a campus project to benefit an elementary school in the Gulfport

area following Hurricane Katrina. She was a chapter delegate to the Mississippi/Louisiana/Alabama Regional Honors Institute held in July, 2005, at the University of North Alabama.

In addition to her active campus involvement at Holmes, Kolak has been active in her church and community. Kolak's goal is to obtain a master's degree in elementary education and teach fourth grade.

## LEE BALCH

Lee Balch of Madison, a President's List scholar, was a member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa on the Ridgeland Campus of Holmes, maintaining a 4.0 GPA. She served the chapter as president her sophomore year. She was also selected to serve the Ridgeland Campus Student Government Association as president during her sophomore year.

Balch is a staff writer for the student newspaper, the "Growl," and is actively involved in Campus Christian Ministries. She is also actively involved in her church, serving as a volunteer worker at Vacation Bible School, and her community where she has helped with numerous fund-raising activities.

Majoring in business, she plans to pursue a master of business administration (MBA) degree and ultimately become a business owner.

## CANDACE CAIN

A native of Eupora, Candace Cain was a nursing major on the Goodman Campus, whose ultimate goal is to become a pediatric nurse practitioner. She was a recipient of the North Mississippi Medical Center Scholarship, a scholarship awarded to high school seniors who plan to pursue a major in the medical field.

At Holmes, Cain received a band scholarship, serving as drum major for the Bulldogs Marching Band both her freshman and sophomore years.

A member of the Kappa Alpha Chapter of Phi Theta Kappa, she served as a co-vice president of service her sophomore year, as well as a member of the Holmes ambassadors recruitment team. At Holmes she maintained a 3.75 GPA.

## HEATHER OAKES

Heather Oakes of Grenada was the recipient of a President's Scholarship, Cheerleading Scholarship, Honors Book Scholarship, and was named to the National Dean's List. She maintained a 4.0 GPA during her two years on the Goodman Campus at Holmes.

She was a member of the Kappa Alpha Chapter of Phi Theta Kappa, serving as treasurer her sophomore year. Oakes was captain of the cheerleading squad both her freshman and sophomore years. She was also a member of the Holmes ambassadors recruitment team her sophomore year.

Oakes is a secondary education /math major and plans to receive a master of education/math degree. Her desire is to teach math at the junior/community college level as well as coaching cheerleading.

## RENEE CHAMBERLAIN

Renee Chamberlain of Grenada, a National Dean's List Scholar with a 3.8 GPA. She is a member of the Grenada Campus Alpha Mu Beta Chapter of Phi Theta Kappa, serving as president her sophomore year. She has been a member of Wesley Foundation, Student Government Association, and Phi Beta Lambda both her freshman and sophomore years. She has served as a Holmes Ambassador her sophomore year.

A Pre-B.S. Nursing major, Chamberlain has been the recipient of a Dean's Scholarship both her freshman and sophomore years. She also received the Frank B. Branch Scholarship her sophomore year.

## JESSICA HUGHES

A pre-pharmacy major at the Grenada Campus, Jessica Hughes plans to further her education at the University of Mississippi to become a pharmacist. Jessica's goal is to one day open her own pharmacy.

While at Holmes, Jessica was a member of the Alpha Mu Beta chapter of Phi Theta Kappa during her freshman and sophomore years. She served the honor society her sophomore year as Vice President of Service. She was elected as homecoming maid both her freshman

and sophomore year. She was also elected Freshman Favorite and Sophomore SGA representative. A Bain/Corey scholarship recipient, she also serves as a Holmes Ambassador.

Front row, Dawn Burkert and Patricia Dunlap. Back row, Lee Balch, advisor, John Switzer, and Sara Balch.

## SCHOLAR'S BOWL 2006

The annual Ken Wooten Scholar's Bowl is held in Oxford at the University of Mississippi. Each year, faculty and students make student recommendations from their campus, who then make the journey to Oxford to compete with other community and junior college students. This competition gives schools from around the state a chance to project their best-of-the-best.

These team members practice the quizzing in preparation for the big bowl. This year's scholar's

bowl took place on February 10 and 11. Holmes Ridgeland Campus produced a team consisting of four members. Team members include: Dawn Burkert, Patricia Dunlap, Lee Balch, and Sara Balch. The team was sponsored by John Switzer.

Transfer scholarships to attend the University of Mississippi are offered to members of teams placing 1st, 2nd, or 3rd in the Scholar's Bowl.

# BUILDING EXCELLENCE

## *the D.P. McGowan Workforce Training Center*

On the Ridgeland Campus, completion is not far away for the new D.P. McGowan Workforce Training Center. Contractors broke ground for the new facility in late 2004. There are high hopes that the new building will be ready by the fall 2006 semester.

Holmes Community College is proud to erect such a fine facility. The D.P. McGowan building is expected to fulfill every training need, from manufacturing, business, and service industries, to healthcare. As the center becomes functioning, it will prove to be among the best in the region.

The training center takes its name from long-time Holmes Community College board president, D.P. McGowan. McGowan has served Holmes as a board member for over 30 years.

As the metro Jackson area grows, it has been inevitable that our Ridgeland Campus would do the same. With the workforce training center in operation, enrollment for Holmes will likely be on the rise for the upcoming year.

Many students are excited to see the building's progress, not to mention the extra parking.

Upon completion, the center will provide 104 parking spaces, as well as 180 new parking spaces for students and faculty. This seems to be a dream come true to all at Ridgeland who have faced the parking issue.

Interim president, Dr. Boyce, says, "For Holmes, this building represents the opportunity to deliver the mission of workforce training at its highest possible level, and respond to its industry partners at the 'quality' level they have come to expect."

# 2005-2006 HOLMES COMMUNITY COLLEGE HALL OF FAME

**Lee Walker Balch**

A business major and the recipient of a President's Scholarship on the Ridgeland Campus, Lee Balch was a member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa, serving the honor society as president her sophomore year. She also held the office of president for Campus Christian Ministry during the latter year as a member of the organization. Balch was elected a Freshman Favorite and

was chosen to represent the Ridgeland Campus as Miss HCC her sophomore year.

As a sophomore, she was chosen to be a Phi Theta Kappa All-Academic Team nominee. She was a Growl staff writer and a member of the Ridgeland Campus Scholars Bowl.

**Joseph Daniel Bird**

Joseph Daniel Bird, a Biblical studies major on the Ridgeland Campus, was a member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa International Honor Society where he served as a vice president his sophomore year. He was a member of Praise and Worship Band and his church orchestra. He was also a substitute bass player for a new church in his community. When not in class he

volunteered 30 hours a week at Pelahatchie Bay.

Fully committed to a full-time Christian service after completing his education, he plans to attend William Carey College in the fall. Bird's ultimate plans are to earn a Master of Theology and a Doctorate of Ministry at Southwestern Baptist Theological Seminary.

**Amanda Latrice Bolden**

Amanda Latrice Bolden was a business administration/accounting major on the Ridgeland Campus.

Both her freshman and sophomore years at Holmes she was a member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa International Honor Society and Phi Beta Lambda, a club for business majors. During her sophomore year at Holmes she was chosen to represent the campus as a

member of the Holmes Ambassadors recruitment team. Bolden plans to transfer to Jackson State University to major in finance.

**Patricia Lewis Dunlap**

A secondary education/history major on the Ridgeland Campus, Patti Dunlap plans to attend Mississippi College to pursue a bachelor's and master's degree to ultimately teach history in a public school system or at the community college level.

Dunlap was a member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa and captain of the 2006 Scholars

Bowl Team. She was also a scribe and testing assistant for Special Populations students on the Ridgeland Campus.

In addition to her commitment to pursuing an education, she was also involved in the Belhaven community, serving as president of Belhaven Heights Community Association and a member of the Promotions Committee for the Greater Belhaven Neighborhood Foundation. She served on the Main Street Initiative and the planning committee for the Bright Lights/Belhaven Festival.

**Lindsay C. Franklin**

Lindsay Franklin was a biology major on the Ridgeland Campus with plans to attend Mississippi College in the nursing program.

Both her freshman and sophomore years she was a member of the Math and Combined Science, serving as president the latter year, and also a member of the Campus Christian Ministry.

During her sophomore year at Holmes she was chosen to be a Holmes Ambassador. Franklin was also a member of the Student Government Association and voted a Sophomore Favorite for the Ridgeland Campus.

In addition to school activities she was employed at Mississippi Discount Drugs and actively involved with the Morrison Heights Baptist Church college choir. She also served as a chaperone for the junior high choir tour at her church.

**Christine Greenwood**

Both a Dean's and President's List scholar, Christine Greenwood was a library science major on the Ridgeland Campus working full time as Branch Manager for the Canton Public Library.

Both her freshman and sophomore years she was a member of Phi Theta Kappa Honorary Society. Greenwood was chosen her sophomore year to serve as a student representative on the Holmes Community College SACS committee for the re-accreditation of the college.

She served as a volunteer with the Central Mississippi Boys and Girls Club of Canton, and was a member of Priestley Chapel Missionary Baptist Church choir. She was also a member of the Executive Planning Committee and the Administrative Team of Branch Managers as a library branch manager. Greenwood was chosen to receive the Speech Award at the 2005 academic awards banquet. Her plans are to pursue a bachelor's and master's degree in library science from Jackson State University.

**Ashley Elizabeth Kolak**

The recipient of a Dean's Scholarship on the Ridgeland Campus, Ashley Elizabeth Kolak was a member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa, serving the second year as a vice president.

Kolak was an adult advisor for the church youth group, caretaker for a local church daycare, coordinator of MADCAP Project; and a college advisor for a mission

# 2005-2006 HOLMES COMMUNITY COLLEGE HALL OF FAME

trip to Saltillo, Mexico.

Following Hurricane Katrina she participated in the KARE Bracelet Project and "Fill the Van" School Supply Drive for children affected by Hurricane Katrina.

A biology major, Kolak plans to transfer to Mississippi State University, pursuing an elementary education degree in order to teach fourth grade.

## Crissen Amber Loden

A pre-occupational therapy major on the Ridgeland Campus, Crissen Amber Loden's plans after Holmes are to attend the University of Mississippi Medical Center in pursuit of a career in occupational Therapy.

Loden was a member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa her sophomore year and also a member of the Math and Combined Sciences Club.

She was also chosen to be a Sophomore Maid, representing the Ridgeland Campus for Homecoming 2005.

In addition to her job and classes, she was a member of Colonial Heights Baptist Church and a member of Colonial Heights Lifegroup Singles Ministry.

Honors Forum and the Baptist Student Union each year, serving the BSU her sophomore year as a member of the Ministry Team. Cain was also a member of the Holmes Ambassadors recruitment team her sophomore year.

## Atavis T. Campbell

A physical education major on the Goodman Campus, Atavis Campbell served four years active duty in the US Marine Corps between high school graduation and his coming to Holmes.

Campbell, a defensive lineman on the Holmes Bulldogs football team both his freshman and sophomore years, was a member of the Student Government Association, serving as the Cook Dorm representative his sophomore year. He also as a representative for the student population during the Southern Association of Colleges and Schools (SACS) ten-year re-accreditation on-site visit to the school.

He participated in Charity Bench Press Competition to raise money for Muscular Dystrophy his freshman year and Hurricane Katrina victims his sophomore year. Campbell was also named Mr. HCC his sophomore year.

## Sara Ellen Magee

Sara Ellen Magee, a graphic Design/animation major on the Ridgeland Campus, plans to continue her education in this field at Texas A&M Commerce.

At Holmes, she was a member of Campus Christian Ministry and the Alpha Lambda Sigma Chapter of Phi Theta Kappa Honorary Society, serving her PTK chapter as vice president of scholarship her sophomore year. She was also a server at Main Street.

# Fall Fest 2005

Lee Lee Powell

During the Autumn months of this school year, Holmes students kicked out summer and jumped into fall with their annual Fall Fest, sponsored by Student Activities and SGA. What's a better way to enjoy the new breezy weather than to spend a day outside with food, fun, and friends?

This year's Fall Fest had a wide variety of activities. The students and faculty on the Ridgeland Campus took part in the food plates that were ladled down with

some good ole' Southern barbecue. It was a western affair on the Goodman Campus with chili dogs and sloppy joes. After the meal, the festivities got underway with live entertainment and bungee run at Ridgeland, and a mechanical bull ride and an obstacle course at Goodman, just to name a few attractions. There were also 'Caricature Artists' on hand ready to draw cartoon-like pictures of the students willing to stay still in the middle of the fun. In Ridgeland,

the OTA (Occupational Therapy Assistant) students sponsored a wheel chair race. This was a really big hit with the students and faculty on campus.

We hope this tradition will never end and if you've never been to Fall Fest, then check the activities calendar posted on your Holmes Campus and "...Come on Over!" and have some fun.

(Above) The Wheelchair races at Ridgeland were a popular activity while the bull riding at Goodman (Left) provided hours of entertainment.

(Clockwise from top) Students eagerly take a part of the food offered. A proud student shows off her characture portrait. Ridgeland students enjoy the unusually warm weather outside for Fall Fest. Nothing can beat social time with friends at any Holmes campus.

(Left) Dunking a fellow student or teacher was a popular attraction. (Right) Crawfish is a favorite at Spring Fling. (Below) A group of Ridgeland friends relax.

(Below) Lindsey Netherland shrieked down the water slide. (Below right) Jousting with a Gladiator feel was a popular choice on all three campuses.

The crowd at the Ridgeland Campus get down and boogie at Spring Fling.

# Spring Fling 2005

Lee Lee Powell

You've always heard, "Things sure do travel fast by word of mouth." This surely has proven to be true when you mention Spring Fling. This is absolutely the biggest event that takes place on campus. It consists of a whole week full of fun activities for the students and faculty of Holmes Community College.

No matter what type of person you are, you can't go wrong when attending the annual Spring Fling on any Holmes campus. This year's

activities included music, an obstacle course, the inflatable bungee run, art work displays, a huge water slide, and who can forget about all those crawfish! Students and faculty consumed pounds and pounds of crawfish in buckets provided by SGA. Students really took this year's Goodman theme "Shuck 'em and suck 'em" seriously. It's hard to believe that there was even one of the creatures left in the bottom of the barrel.

Students could not wait to get

out of class to see their friends and have some fun. Even if you're not into crawfish or the games, what's a better chance to get to see those tough teachers in a different light and have the chance to butter them up.

So the next time Spring Fling rolls around get out those comfortable clothes, slip on some sunglasses, and get out there and have some fun! If you don't, you will regret it.

(Above) Dr. Walter Roberts gives the 2005 graduates some words of wisdom.

(Above) Friends share memories as they celebrate graduation.

(Above) Ms. A helps a graduate with her cap.

# 2005 Graduation

Holmes Community College Board of Trustees Secretary Dr. Walter Roberts of Lexington told the 2005 graduates to remember three things in life – success is not measured by what you have, you are where you are because of bridges crossed and family is your most valuable asset.

“I am honored to share with you in this celebration of your accomplishments, your achievements - the culmination of your efforts and your hard work,” Roberts said. “Real success lies in setting goals and achieving those goals, whether they are great or small. Real success lies in knowing that your life has had an impact, knowing that every headache, every heartache, every challenge along the way paid off.”

Roberts, who owns veterinary

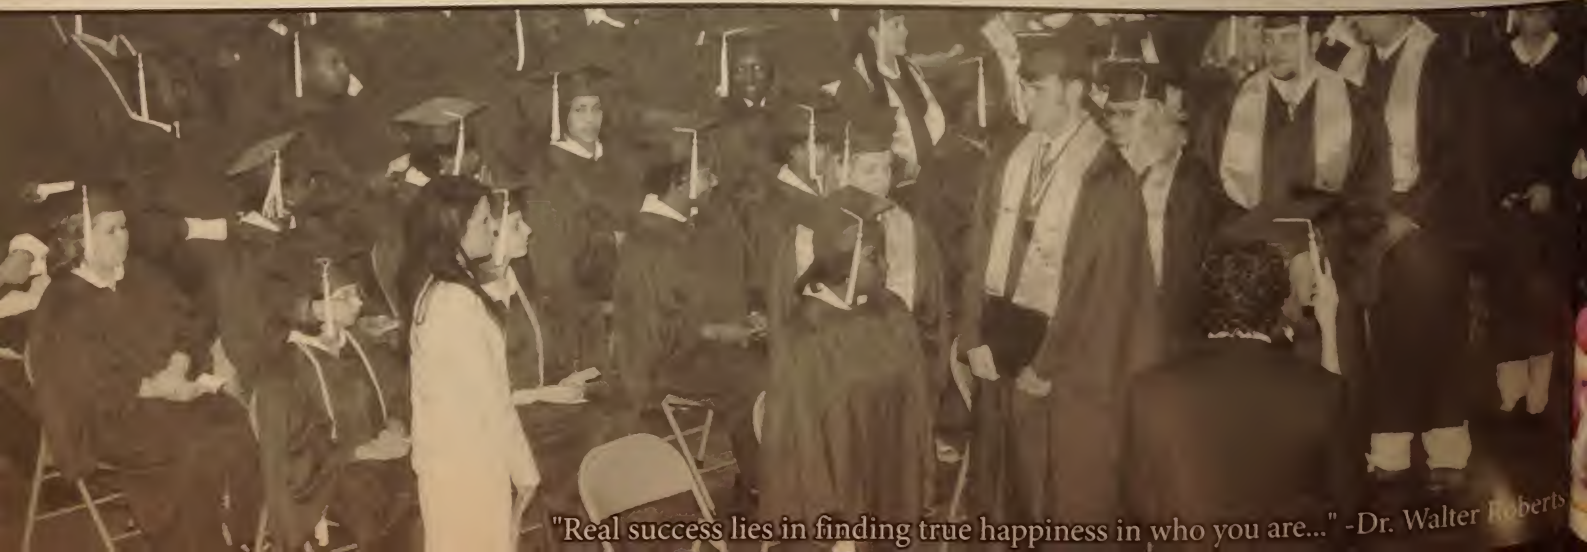

clinics in Lexington, Durant and Rolling Fork, told graduates they should be thankful for friends and family who have looked after them over the years. “You didn’t make it this far on your own,” Roberts said. “Somebody, somewhere, was praying for you. Somebody somewhere was believing in you. Somebody somewhere was lifting as you continued to climb, pushing as you moved farther and farther along the road of success. You must never fool yourself into believing that you made it this far on your own.”

The graduates have an obligation to help others just as they’ve been helped. “How do you do that? By encouraging others who are at the point of giving up, by encouraging those who (because of their limitations) feel that they don’t

stand a chance or that it’s not worth the effort. The Creator did not bring you to this point for your own good. You are here to fulfill a higher calling,” said Roberts.

Seven graduates were named valedictorian during the graduation exercise including Eric Burden, Dustin Gentry, Thomas Haffey, Dan Hoss, Nicole Pennock, Jessica Stewart and Nick White. Salutatorian was Cynthia Bennett.

Receiving the M.C. McDaniel Award was Laura Woods. Nick White of the Goodman Campus, Brittney Norman of the Ridgeland Campus and P.J. Harville of the Grenada Center were named Outstanding Phi Theta Kappans for 2004-2005.

“Real success lies in finding true happiness in who you are...” -Dr. Walter Roberts

# Homecoming 2005 Hollywood Premier

## Lights - Camera - Action!

by Laura Shrock and Kasey Pee

**H**olmes Community College added a touch of Hollywood glamour to its campus during this year's Homecoming festivities. The students of Holmes filled many lead roles in the red carpet week by dressing to play the part of different roles. Students began the week by disguising themselves and going 'incognito' by wearing a variety of camouflage gear. A mysterious feeling of déjà vu was experienced Tuesday when students began 'seeing double' on Twin Day. Hula skirts and leis were the norm on Hawaiian Day while others showed their true colors ... *continued on page 50*

# 2005

*Continued from page 49*

when they donned maroon and white for Bulldog Day. The final take was shot on Friday when defeating the Lions was the main objective.

Thursday night was an evening of activity with the traditional Homecoming parade. Maids floated in cars while the band marched and played. Several baseball players decided to join in and ride down the street on a Gator. The parade was followed by a pep rally with the cheerleaders dressing for the role to promote the theme and pump up the team to defeat the Lions and..... That's A Wrap!

# Homecoming Activities

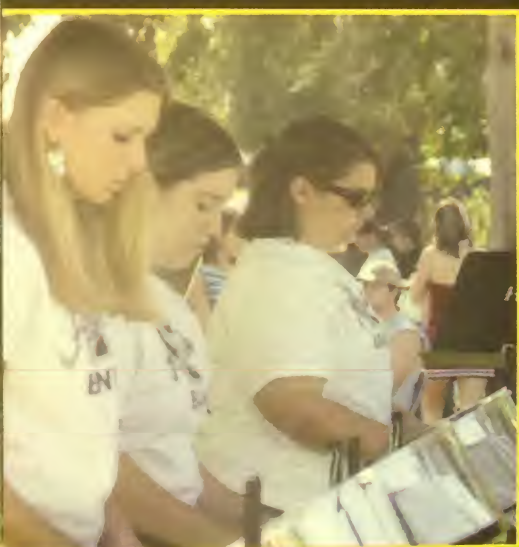

(Clockwise from top) The Holmes Jazz Band participates in 'Sidewalk Cafe' by providing music; Tondra Sanders and LaToya Jones wait anxiously for the pep rally to begin; Erica Crimm, Goodman Freshman maid, throws a shower of candy to the crowd at the parade; Neil Sanders, Kristen Lawrence and Hope McDill at the parade; Heather Oakes pumps up the crowd dressed as a Hollywood star, Leigh Ann Bell, Grenada maid, rides in through the parade in style.

(Above) The Connection! performs prior to the game. (Left) The Freshman steel drum band gives a concert in the grove. (Below left) Brandi Marrow and Nikki Hines enjoy the baseball scrimmage.

# Homecoming Day

From the time the meal, the crowd creative banners were hung, Holmes was buzzing with many traditional activities. The Grove was crowded with excited students and alumni alike for the annual Homecoming cookout of catfish and chicken. While enjoying

the meal, the crowd was entertained by the Holmes Jazz and Steel Drum bands. The crowd was later ushered into McDaniel Hall to enjoy the Connection! performance followed by a pep rally in the Grove.

# Homecoming Game

The Bulldogs fought hard against the Lions for a Homecoming victory. However, several ladies and gentlemen were spotted putting on the glitz in preparation for the Homecoming court.

The queen, Raffinee Jones, and her court of elected maids and escorts strolled down the field as if they were on a red carpet. All the maids from the Goodman, Ridge-

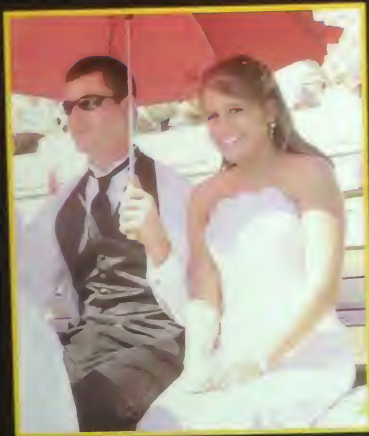

land and Grenada campuses came together as one as they were introduced during the halftime of the ball game.

All looked like up and rising celebrities and were Hollywood bound. The Bulldog Football team topped the day off by winning against the Lions, 19-14.

(Left) Coach Shurden tells his boys what to do to beat the Lions.

(Clockwise from Right) Trainers Dallas Hawkins and Deven Morel get the job done; Coach Baughn gives Travis Stiff field pointers; The Dazzlers! perform with the band; Kari Gallagher pumps up the spirit; Laurie Clay smiles for the camera.

Most Beautiful

## .. Glitz .. and .. Glitter ..

This year's beauty review was an absolute representation of 'Glitz and Glitter.' There were 36 qualified contestants participating in the review under the direction on Cernessa Sims and Pam Fells. Jim Haffey served as the Master of Ceremonies while Laura Bigbee was the mistress of ceremonies.

The 36 contestants from all three of the Holmes campuses eagerly waited their turn to present themselves to the judges. As the pageant began, the beauties began by introducing

themselves one by one to the judges and crowd, followed by the evening gown competition. As the judges' scores were being added up, the crowd was entertained by the Holmes Connection! under the direction of Doug Browning.

After the entertainment the top ten beauties were named. Keyshaw Conley, Katie Pace, Barbie Corbett, Jessica Daves, Megan Lewis, Erin Legg, Jessica Robertson, Alisha Arender, Bethany McAdams and Lauren Oliver were the top ten contestants. They were then

asked to individually return to the stage for a final look over by the judges.

In the end, Keyshaw Conley, Megan Lewis, Alisha Arender and Bethany McAdams were named the beauties of the pageant while Erin Legg, a Sophomore on the Goodman Campus from Winona, won the coveted title of Most Beautiful. Her grin wide with excitement, she breathes "[It's a] great honor."

(Above) Jessica Daves gets some help on her make-up. (Left) Some of the top ten beauties, Katie Pace, Keyshaw Conley, Jessica Roberson, Lauren Oliver, Bethany McAdams and Alisha Arender take another turn on the stage. (Right) Sara Clark smiles for the judges.

# Womanless Beauty Pageant

L to R: Adam Harper, Justin Williams, Queen Little Debbie (aka Tim Bell), Will Alexander, and John Reuben Cox.

## Dude looks like a lady

Things are not always what they seem, and this proved to be true one special night on the Goodman Campus. Phi Theta Kappa held the Womanless Beauty Pageant to raise money for the Mississippi Hurricane victims. Some of Holmes' finest gentlemen put on makeup, dresses, and heels and learned what it felt like to be a woman for a few hours. Some of the guys THOROUGHLY enjoyed themselves.

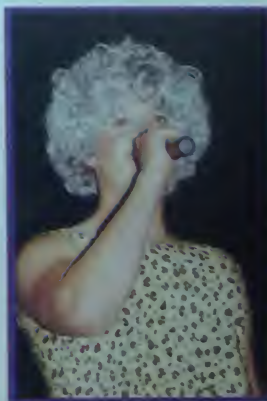

Ceressa Sims did a marvelous job as mistress of ceremonies. Miss Spicy Jambalaya (aka Coach Dupont) crowned this year's queen, Little Debbie (aka Tim Bell.) The four beauty

finalists named were Adam Harper, Justin Williams, Will Alexander, and John Reuben Cox.

This year's contestants included: Allen Burden, Shane Hunt, Vance Taylor, Steven Stringer, Atavious Campbell, Kenyotta Courtney, Jared Clark, Foster Gullet, Austin Taylor, Tim "Buck" Rodgers, Jamal Peeples, Justin Miller, Tim Bell, Jacob McBride, Adam Harper, Will Alexander, John Reuben Cox, Scotty Williams, and Scott McCrory.

(Above) All the baseball ladies pose for a glamor shot. (Bottom Right) Miss Spicy Jambalaya is escorted by her body guard, William 'Dirtbag' Grace. (Bottom Left) The 'Hairy Legged Trio' serenaded the crowd with their version of Aretha Franklin's songs.

# 2005 Sports Hall of Fame and Alumni Association Honorees

Alumnus of the Year, Jw Richardson '52 receives a plaque from W. A. Miles, Alumni Association president.

Distinguished Service Award winner Howard Guthrie '51 receives a plaque from W. A. Miles, Alumni Association president.

Sports Hall of Fame inductee, Charles "Foozy" Dyer '76 receives a plaque from Arthur Austin, Jr.

Sports Hall of Fame inductee, Bette S. Edwards '50 receives a plaque from Arthur Austin, Jr.

Sports Hall of Fame inductee, Greg Robinson '90 receives a plaque from Arthur Austin, Jr.

Sports Hall of Fame inductee, Alan Wallace '63 receives a plaque from Arthur Austin, Jr.

From L to R: Francis Wallace and friend pre-banquet; Honorees and guests enjoy hors d'oeuvres before the banquet; Alumni Association Director Steve Diffee speaks during the banquet; Friends of Honorees listen and reminisce along with the honorees.

# CLUB

## Money Makers

Money is the fuel that funds all clubs and every club has a way of making that said money. Some ways are by selling T-shirts, like SGA. Others sell concessions at football and basketball games like VICA. Then some choose to throw a womanless beauty pageant, like PTK. Some of the raised funds go towards club expenses while others go to charity. Many of the fundraisers by Phi Theta Kappa are ways to build up funds for cancer research and relief efforts. Whatever it takes, these groups are willing to sell anything from candybars to cheesecakes to get the job done and raise a bit of money, for whatever cause they support.

Clockwise from top left: Kasey Pee sells athletic programs for the Journalism and Vo-Tech classes. Cham Blain works in the concession stand for Vo-Tech during a basketball game. Laura Shrock, Brittany Drake, and Lane Cox sell deserts at PTK's Sidewalk Cafe to help raise money for hurricane victims. Ranika Willis is patroned by a Madrigal Feast dinner guest to insult another guest, Old English style.

On the opposite page: Megan Burdine and Ashley Dees put on an awesome show for the Fine Arts Department with 'A Bad Year For Tomatoes.'

## Holmes Bulldog

# *It's Up... It's Good!!!*

## Football 2005

Hurricane Katrina wrecked havoc on this season's football schedule forcing the first game scheduled for Sept. 1 to be played some three weeks later on Sept. 22.

It was decided shortly after Katrina hit to cancel the Bulldogs' first two games (Copiah-Lincoln and Jones) and move the third game with Mississippi Gulf Coast Community College to the end of the season.

After finishing 2-7 in 2004, the Bulldogs were on a mission to improve during the 2005 year. The Bulldogs battled hard in their North Division schedule but came out with a 2-4 record and finished 2-5 after falling to Gulf Coast in the season finale.

The Bulldogs opened the season

with a 20-13 loss to Northeast in Booneville. The Bulldogs then battled with Northwest only to lose in the last few minutes of the game, 10-7. Itawamba defeated the Bulldogs 24-0 in Fulton before Holmes picked up their two wins over East Mississippi on Holmes' Homecoming, 19-14, and Mississippi Delta, 29-28 on Delta's Homecoming.

The Bulldogs then fell to Coahoma at home 26-21 and Gulf Coast at home, 49-28.

Following the season, three Bulldogs were named MACJC First Team All-State and First Team All-Region XXIII --- Malachi McGee, Keldrick Docher and A.J. Hicks, all defensive players for the Bulldogs.

Brandon Johnson and Jeremy

Packer on the offensive side of the ball and Torrey Stewart on the defensive side of the ball were named MACJC Second Team All-State and Second Team All-Region XXIII.

Twelve Bulldogs were named Honorable Mention All-State as well. They are quarterback Jerimy Watson, receiver Da'Varius Jackson, running back Eric Hoskins, safety Dustin Evans, linebacker James Neal, offensive lineman John Miller, offensive lineman Kenny McGhee, defensive end Jacobi Avery, defensive end Douglas Butts, defensive tackle Jarvis Hines, safety Lewis Jones and defensive end Herbert Floyd.

McGee, Docher, Hicks and Hoskins played in the MACJC All-Star game on Dec. 10 at Northeast

(Above) Jamal Scott Fights off a Northwest CC player.

Mississippi Community College in Booneville.

Freshman Jamal Scott from Valdosta, Ga. led the Bulldogs in rushing with 253 yards on 68 attempts and one touchdown. Hoskins finished the season with 43 carries for 157 yards and two touchdowns. He also had 17 catches for 102 yards and two touchdowns.

Sophomore quarterback Jerimy Watson from Grenada led the Bulldogs in passing with 108

completions on 210 attempts and 1,233 yards. He had 12 touchdowns and 12 interceptions on the season. His favorite target was sophomore tight end Da'Varius Jackson of Canton who had 31 catches for 453 yards and one touchdown. Packer led the Bulldogs in receiving touchdowns with six.

Defensively, freshman linebacker James Neal led the Bulldogs in tackles with 68. Freshman safety Dustin Evans followed with 53, sophomore

cornerback Keldrick Docher had 46, sophomore linebacker A.J. Hicks had 45 and two interceptions. Freshman defensive tackle Jarvis Hines had 41 tackles while sophomore cornerback Torrey Stewart and sophomore defensive lineman Malachi McGee each had 40.

McGee, Douglas Butts and Jacobi Avery each had three sacks for the Bulldogs.

(Above) Itawamba CC can't seem to keep up with Eric Hoskins.

# A year of *Three Cheers* Rebuilding

The primary spirit builders of any college campus are the cheerleaders. With a new coach and fresh squad, the Bulldog cheerleaders are ready to rebuild their program and conquer new territories.

New cheer sponsor, Chastity Garcia, is a 2000 graduate of Holmes Community College and has returned to be an instructor, fitness center director and assistant basketball coach.

Garcia has big plans

for her squad. Spectators witness a well disciplined squad for the athletic year, and Garcia hopes to have Holmes eventually competing on the national level as early as next year. Captain Heather Oakes says, "Coach Garcia has really raised the skill level of the squad. The year started off shaky, but has improved one hundred percent."

## Bulldog, Gettin' Our Kicks Soccer

The Holmes Community College men's soccer team finished the 2005 campaign 8-4-1 just missing the playoffs. The Bulldogs finished third in the North Division behind division winner Hinds and Mississippi Delta.

When asked to compare this year's season to his previous three at Holmes, Coach Matt Convertino said, "We had more depth this year in every position which made us much more of a complete team. In addition, they also got along better on and off the field. By October, it really began to feel like family out there."

Sophomore goalie Josh Jackson was the only returning player from last year, and when asked about his leadership, Coach Convertino said, "Outstanding leadership. Gong into the preseason he truly knew what

it would take to win. His leadership in practice, ability to command the box and lead his defense was a huge asset for us." Jackson found out during the off season he made Academic All-American. Former Bulldog and Jackson's teammate at Stone County, Austin Somers, also made Academic All-American.

The Bulldogs started the 2005 campaign with three straight wins. The Bulldogs defeated Copiah-Lincoln, 3-1; East Central, 4-1; and East Mississippi, 3-1. The Bulldogs then lost to Hinds, 4-0 before winning two straight against Northwest, 2-1; and Co-Lin, 4-0. Holmes and Mississippi Delta then battled to a 1-1 overtime tie before the Bulldogs defeated the Itawamba Indians, 2-0.

The Mississippi Delta Trojans then defeated the Bulldogs 2-1 in overtime before the Bulldogs

knocked off the Northwest Rangers for the second time, 3-1. The Bulldogs then beat East Mississippi for the second time, 1-0, before falling to Hinds for the second time 3-0 and to Itawamba, 2-0.

First-year player Keith Matthews from Birmingham led the Bulldogs with 17 points including seven goals while first-year player Andrew Davis from Richland followed with 16 points including six goals. Sophomore Matt Dennison had 14 points including five goals.

Matthews was fifth in the division followed by Davis in sixth and Dennison in eighth.

Freshmen Matt Walters and Philip Sistrunk were both named to the MACJC All-State Team. Sistrunk also was named team MVP.

## 2006 State Champions

### Mens Basketball

What a season it was for the 2005-06 Holmes Community College Bulldog basketball team. The Bulldogs, who finished 21-9, captured the 2006 MACJC State Championship and made it to the semi-finals of the Region XXIII Tournament.

In the Regional Tournament, the Bulldogs knocked off the Mississippi Gulf Coast Community College Bulldogs, 79-64, before falling to the Pearl River Wildcats in a heartbreaker, 71-70. In the state tournament held at Northwest, the Bulldogs knocked off the Gulf Coast Bulldogs, 106-94; Pearl River, 81-79 and Northwest, 99-80.

The state title was the second title for Bulldog Head Coach Todd Kimble, who also won the title back in 2002.

During the season, the Bulldogs swept four South Division teams --- Southwest, Jones, Hinds and Gulf Coast --- and three North Division teams --- East Mississippi, Coahoma and Mississippi Delta. The Bulldogs took three of four from Pearl River, split with Co-Lin, Itawamba and Northeast, lost two of three to Northwest and lost one to Meridian.

The Bulldogs will lose sophomores Richard Griffin, Richard Ford, Jonathan Coleman and Keith Simmons.

At the Region XXIII game against Pearl

River, Holmes Community College freshman guard Jemarri Gunn stole the ball with only seconds remaining and shot what Holmes fans thought was the game-tying three-pointer. After some discussion between the referees, it was decided that Gunn's three was a two giving the Pearl River Wildcats the 71-70 semi-final win over the Bulldogs in the Region XXIII Tournament at Mississippi College.

After the Bulldogs held a small lead out of the blocks, the Wildcats took the lead and increased it to seven with 14:00 left in the half before the Bulldogs began to fight their way back into the game. A Sean Johnson bucket with 5:41 left in the half brought the Bulldogs within two at 25-23. The Wildcats increased the lead to six at 31-25 with 4 minutes to go before Richard Worthy's shot in the lane brought the game to 33-30 at halftime.

After several lead changes, Pearl River tied the game at 60 with 8 minutes to go. Johnson hit another three-pointer to put the Bulldogs out in front at 63-60. Pearl River then held at one-point lead at 64-63 on a Jones' bucket. Worthy's score down low put Holmes up 65-64 before Pearl River jumped back out by five with nine seconds remaining.

Richard Griffin scored a layup with 4.2 seconds remaining in the game to make the score 71-68. Gunn then stole the ball from a Wildcat guard to get the shot off at the buzzer.

Johnson was the only Bulldog in double figures. He had 22. Derrick Huffman and Richard Worthy each had nine.

The state champion Holmes Community College Bulldogs headed to the semi-finals of the Region XXIII Tournament after defeating the Mississippi Gulf Coast Community College Bulldogs, 79-64, on Tuesday afternoon, March 7.

After an eight-point Holmes lead early in the game, the Coast Bulldogs got as close as one with five minutes remaining and trailed Holmes at halftime, 32-29. The Bulldogs led 36-31 with 18:40 remaining in the game before freshmen Michael Marzette and Richard Worthy increased the lead to 45-33 with 16:25 on the clock. A Jemarri Gunn basket with 5:50 helped the Bulldogs get back out by 15 points. Richard Ford's basket with 4:00 left increased the lead to 16 points.

Johnson led the Bulldogs with 14 points. Derrick Huffman followed with 13. Ford 12, Marzette 11 and Jonathan Coleman and Worthy each had 10.

## 2005-06 Scores

vs. East Central 88-90	vs. East Miss. 85-48
vs. Meridian 81-84	vs. Coahoma 92-75

vs. Northeast 74-89	vs. Gulf Coast 79-64
	Region XXIII Tournament
	vs. Pearl River 70-71

MACJC State Championship was a success for the bulldogs. Five points with 13 minutes remaining in the second half was as close as the No. 2 Northwest Mississippi Community College Rangers could get in Thursday's title game in Senatobia. From that point, the Holmes Community College Bulldogs reeled off 10 points to pull away and claim the MACJC State Championship.

Holmes wasted no time jumping on the Rangers. The Marzette buckets and a Richard Worthy two-point shot made the score 33-19 with 6:40 left in the half. The lead increased to 49-34 by halftime.

The Rangers pulled within five at 58-53 with 14:44 left in the game on an Adrian Banks layup. Two Jemarri Gunn three-pointers and two Griffin layup increased the Bulldog lead to 74-59 with 7:40 left in the game. The Bulldogs added 25 points in the final seven minutes to pull out the win. Marzette's four two-point shots and Jonathan Coleman's three two-point shots helped seal the victory.

Marzette led the Bulldogs with 22 points. Worthy and Sean Johnson each had 14 points. Coleman had 12, Griffin had 11 and Gunn had 10.

Freshman guard Michael Marzette of Durant nailed a three-pointer from the left corner with 2.5 seconds left in the game here Wednesday afternoon to give the Holmes Community College Bulldogs the 81-79 win over Pearl River Community College and a trip to the state title game versus Northwest.

After the Wildcats jumped out to a small lead early in the contest on Wednesday, a Richard Worthy two-point bucket tied the game at nine. Pearl River then inched away before Richard Griffin hit a three-pointer to tie the game at 15. A Richard Ford bucket put the Bulldogs up 17-15 with 11:09 left in the first half. Pearl River then took the 21-20 lead with 9:25 left in the

half on a two-point shot from Alton Robinson. After swapping leads again, the Bulldogs held the 39-33 advantage at halftime.

Early in the second half, Richard Worthy hit three consecutive shots to put the Bulldogs up 53-39 with 15:30 left in the game. Around a minute to go, Pearl River's Wesley Jones hit a two-point bucket to put the Wildcats up 75-74. A Ford dunk put the Bulldogs up 76-75 with one minute to go. Pearl River's Jamar Flowers gave the Wildcats the 77-76 lead on a two-point bucket. Worthy then put the Bulldogs back on top with 25 seconds to go before the River's Robinson got the lead back at 79-78. Marzette then nailed his shot to give the Bulldogs the win.

Worthy led the Bulldogs with 28 points while Griffin had 24 and Ford had 16.

It's on to the second round of the MACJC State Tournament for the Holmes Bulldogs after they put on a scoring display against Mississippi Gulf Coast Community College, 106-94. The Gulf Coast Bulldogs held a two-point lead, 15-13, with 13:45 to go in the first half which was their last lead of the day.

A Sean Johnson bucket tied the game at seven with 17:05 left in the first half before Gulf Coast pulled away again until Johnson's three-pointer put the Bulldogs up for good at 16-15 with 12:55 left in the first half.

A Derrick Huffman bucket with two minutes to play in the first half increased the Holmes' lead to 14 points, 52-38. The Bulldogs held a 52-42 lead at halftime.

The Gulf Coast Bulldogs got only within six points in the second half at 68-62 when A.J. McGee hit a three-pointer. Behind Huffman's two three-pointers, the Bulldogs increased the lead back to 19 with 5:35 left in the game.

Huffman led the Bulldogs with 22 points while Richard Griffin had 21. Worthy had 18. Jemarri Gunn had 14 and Johnson had 13.

### Basketball 2005

The Holmes Community College Lady Bulldog basketball team capped off the 2005-06 season with trips to the MACJC State Tournament and the Region XXIII Tournament.

After finishing the regular season 18-6 overall and 9-3 in the North Division, the Lady Bulldogs entered the state tournament as the No. 2 seed in the North. The Lady Bulldogs drew the Lady Eagles in the first game and fell 90-87. The Lady Bulldogs then played Northwest Mississippi Community College in the first round of the Region XXIII Tournament. The Lady Bulldogs fell 88-77.

The Lady Bulldogs ended the season at 18-8. During the season, the Lady Bulldogs took two games from East Central, Pearl River, Hinds, East Mississippi, Itawamba and Coahoma. They split with Jones, Copiah-Lincoln, Southwest, Mississippi Delta and Northeast. Northwest took two of three from the Lady Bulldogs, one of the losses came in the region tournament.

The Lady Bulldogs fell to Meridian in the state tournament.

At the regional tournament in Clinton, after leading by 11 with five minutes to go in the first half, the Holmes Community College Lady Bulldogs fell behind at halftime by eight. Four points was as close as they got to Northwest in the second half as the Lady Bulldogs fell 88-77 in the opening round of the Region XXIII Tournament held at Mississippi College.

After swapping leads early in the contest, the Lady Bulldogs began pulling away from the Lady Rangers in the first half at the 15 minute mark. An Adrieme Walker three-pointer with seven minutes to go put the Lady Bulldogs up, 31-20. Walker then put the lead back to 11 on another three-pointer with 5:55 left in the first half. From that point on, the Lady Rangers began pulling closer before they took the lead with 2:05 left in the half on a three-pointer from Porsche Blackmon. Walker's two-point shot was the only Lady

Bulldog score the rest of the first half.

The Lady Rangers increased their lead to 58-44 with less than 15 minutes remaining in the game. They held the lead at 12 with nine minutes left at 71-59 when the Lady Bulldogs began clawing their way back. Sophomore Angie Bounds scored once and Myeshia Johnson scored twice to pull the Lady Bulldogs within four at 71-67. After that point, the Lady Rangers began pulling away.

Walker finished the game with 18 points while Bounds and Johnson each had 14 and Robinson had 13. Northwest's Harris finished with 39 points.

In the opening round of the MACJC State Tournament in Senatobia, the Lady Bulldogs lost a heartbreaker to the Lady Eagles of Meridian. Meridian scored three points in the final minute to pull out a 90-87 win.

Holmes freshman Shae White scored in the lane with 1:01 left in the game to tie the score at 87. Meridian then added

## Lady Bulldog 2005-06 Scores

vs. East Central 79-67	vs. Miss. Delta 63-75
vs. Southwest 77-65	vs. Northeast 70-88
vs. Co-Lin 80-75	vs. East Miss. 82-64

two-point bucket and a free throw in the last minute. A LuRena Robinson shot from half court sailed long preserving the Lady Eagles' win.

With 14:37 left in the first half, sophomore forward Michelle Spires scored inside the lane to give the Lady Bulldogs a 16-12 lead. The Lady Bulldogs increased their lead to seven with 12:30 remaining in the first half when freshman Adrieme Walker nailed a three-pointer from the corner. The Lady Bulldogs then took over the lead again and held the 43-41 lead at the half.

The Lady Eagles took the 51-50 lead with 16:25 left in the game and increased the lead to 10 with 9:20 left before the Lady Bulldogs then began fighting their way back into the game. Trailing 82-76 with 3:30 left, sophomore Angie Bounds scored a two-point bucket followed by a Robinson three-pointer and another Bounds two-pointer gave the Lady Bulldogs the 83-82 lead. Both teams then swapped lead changes in the next 1:30 before Meridian sealed the game in the final minute.

## *Go Big or Go Home*

### Baseball 2005

We are going to be very, very young. The pitching staff is going to have to grow up quick and get tough and mean. We will have to put a lot of attention into our pitching staff to be competitive."

"Since 2000, we've won over 190 games," Dupont said. "We've been to state the last three of five years and the region the last four of five years. We want to build on that.

"We are looking for every sophomore to have offers from universities or be drafted," Dupont explained. "We always have a place for them to go and play. We win, and we are averaging over 30 wins a season. We've done it with no out-of-staters: all Mississippi kids."

Returning players include Torey Brown, Ryan Cobb, Jared Elmore, Adrian Hibbler, Nathan Moncrief,

Tolliver McMullen, Luke Smitherman and Marcus Spann. Spann was a third team All-State and All-Region selection after last season while Cobb, McMullen, Brown and Hibbler were Honorable Mention All-State and All-Region.

Of the returning players, outfielder Hibbler of Hattiesburg had the best batting average at .309. He had 25 hits including five doubles and one triple last season. He also collected 15 RBI and 16 stolen bases.

Spann, also from Hattiesburg, and Luke Smitherman from Biloxi both batted .308 for the Bulldogs. Spann, an infielder, led the Bulldogs in home runs with three and had five doubles and one triple. He had 32 hits, 21 RBI and 21 stolen bases. Smitherman, a catcher, had 20 hits including one double.

Ryan Cobb, a first baseman, of Jackson batted .294 for the season. He had 31 hits with 21 RBI and seven doubles and one home run. Tolliver McMullen, an infielder, of Madison batted .293 for the season and had 35 hits including 23 RBI, six doubles and one triple. Jared Elmore of Edwards led the Bulldogs in doubles with eight batting .276 with two triples, 32 hits and 24 RBI.

The Bulldogs feature one transfer to the program, Foster Gullett, a 6-foot-2 and 195 pound catcher from Starkville, played for Northeast Mississippi Community College last season.

Trey Bowman, a 6-foot-3 and 235-pound sophomore from Ackerman, was in school last year but did not play. He is a right-handed pitcher.

Signees include players from Kosciusko

High School, Brandon High School, Winona High School, Ocean Springs High School, and Philadelphia High School.

Former Whippet players, Scott McCrory at 6-foot-1 and 185 pounds and Austin Taylor at 6-foot-5 and 195 pounds, will see action from the mound as right-handed pitchers and in the outfield. McCrory also plays catcher.

Brandon sends Jared Clark, a 6-foot-3 and 165-pound left-handed pitcher to the Bulldogs Buck Rodgers, a 6-foot-4 and 195-pound right-handed pitcher, is from Winona.

Ocean Spring's Justin Miller is a 6-foot and 155-pound outfielder.

Jamaal Peoples, who signed with the Bulldogs last season and was drafted by the Detroit Tigers, returns to the Bulldogs. He is a 6-foot-2 and 210-pound outfielder.

Dupont said the Bulldogs had a tremendous amount of players playing summer league ball. Elmore, Harper, Taylor, Bowman, Cobb and McMullen played in the collegiate league in Missouri. Gullett played for the West Point Packers while Smitherman played in the Cotton State League and Clark played for the Jackson 96ers.

"These guys were able to go off and play against some of the best talent in Missouri, Tennessee and others states," Dupont said. "I hope they will bring that experience back with them."

For the Bulldogs to be successful, the players will have to adapt to the Dupont philosophy of playing aggressive baseball. "We've got to put pressure on the other team," Dupont

Marcus Spann swings with power.

said. "We've got to do the little things it takes to win.

"It's going to depend on how well we hit the baseball and play defense," he said. "We've got to score runs to give the young pitchers some confidence. We've got to teach them to be mentally and physically tough and play hard and hustle. The name of the game is out hustling the other team and doing what it takes to win. We have some pretty good looking guys coming in that can help us right away."

Dupont said he's grateful for former Bulldog standouts like Houston Astros pitcher Roy Oswalt and Xan Barksdale, a catcher for the Atlanta Braves' organization, and Michael Jones, a pitcher in the Cubs' organization. They all come back during their off-season to train with the Bulldog players.

"The kids get to meet him," Dupont said of Oswalt. "We run it like a family. We are Bulldogs for life...Dirtbags for life. Our goal is to win as many games as we possibly can and make Holmes and the community proud of us."

# Bulldog *Ladies First!* Softball 2005

The 2005-2006 version of the Holmes Community College Lady Bulldog fast pitch softball team returns four players from a team that finished tied for fourth in the Central Division last season.

Bulldog sophomores include All-Central Division First Team and All-State selection from 2005 Kristen Lawrence, Ami Summers, Janet Taylor and Mindy Haynes. "She carried a huge load as our main pitcher," Fancher said of Lawrence, who pitched nearly 130 innings with ERA just barely over 3.00 as a freshman. "She has a great work ethic and desire to win. She will be an important team leader and valuable player for us, and I expect her to be even better with so much experience gained." He said Lawrence of Kosciusko should play at the next level after leaving Holmes.

Summers, who prepped at East Holmes Academy, led the Lady Bulldogs with a .269 batting average and was named the best offensive player of the team. She played third base last season. "She was a pleasant surprise last year in the strides she made in her first season," Fancher said. "I will also look to her for needed team

leadership."

Eupora's Janet Taylor played outfield for the Lady Bulldogs last season. "She had a great deal of playing time last year at the end of season," Fancher said. "She needs to improve batting average but was fairly solid defensively in right field."

Rounding out the returnees is Mindy Haynes of Canton Academy, who played first base and right field despite battling a knee injury. After suffering the injury in the fall, she "returned by spring to make valuable contributions during some important games," Fancher said. "She worked very hard during rehab to get back to the point she could play." I expect these four players to really provide the leadership for our young team.

Eleven newcomers join the Lady Bulldogs this season from Pearl High School, Pearl River High School, La., Brookwood, Ala., East Holmes Academy, Tri-County Academy, Calhoun Academy, and East Webster High School.

Stefanie Byars, who comes to Holmes from Pearl High School, is a utility player. "She has a great arm in the field and a steady glove,

Looking forward to seeing how she develops as a collegiate player. She loves the game, and I think she will have great work ethic."

Coming to Holmes from Pearl River, La., is pitcher Tiffany Harper. "Tiffany has very good control and will hopefully gain more speed on her fastball as we begin our fall workouts," said Fancher.

Calhoun Academy's Tiffany Woodcock will also play basketball for the Lady Bulldogs. "She is another dual position player with a great arm and looks to also have a strong bat as well."

First baseman Meagan Hancock comes to Holmes from Tri-County. "I look to her to provide a solid bat hopefully with some power," Fancher said. "She has good size and height for first base."

Teammates from East Webster, Courtney Jones and Jana White, will provide needed help in the infield and outfield, respectively. "Courtney has a good arm and range," Fancher said. "She could possibly also be used as an outfielder. "She (White) has good speed and range," he added. "She will fill positions vacated from those players lost from last season "

## 2006 Lady Bulldogs

Kosciusko's Hope McDill will battle for playing time at first base. "She has good height and size for first and will hopefully provide some more firepower offensively."

East Holmes' Hillary Tharp will play infield for the Lady Bulldogs. "Hillary should make a strong impact in our lineup this season," Fancher said. "She has an outstanding glove and strong work ethic. She loves the game and is a competitor and should be another good leader for our team."

Brookwood High, Ala. standout Jerrica Earl will play catcher and other infield positions for the Lady Bulldogs.

Before the spring 2005 season began, the Lady Bulldogs lost sophomore Carrie Lott in a car accident near her home in Stewart during the Christmas holidays. Fancher said this was devastating to the team. "Carrie was the ultimate team leader and I really believe this affected us all having to come right back to school and begin our spring season without her," said Fancher.

Injuries also took a toll on the Lady Bulldogs. "I was forced to move people around to fill positions they were not used to playing," Fancher said. "It was asking a lot of our team. People look at win-loss records and make assumptions about your team. If they understood what we had to endure that season, they would get a better picture of what our team accomplished despite our record."

Fancher said he was pleased the team had an overall GPA of over 3.0. "We had several members off that team who were Phi Theta Kappa members, and I expect our players to do the same this upcoming season. Their education is what they are here for and as much as I want them all to excel on the diamond, I expect them all to excel in the classroom first. That to me is just as important as a state championship and is what will enable them to go on to do great things."

Offensive output should be better for the Lady Bulldogs this season. "I think we will have more power in our lineup and more speed than we had last season," Fancher said. "I think we can take advantage in the areas of bunting for hits with our speed in the leadoff and number two positions, setting the table for our middle lineup hitters to drive them in."

More depth at the other defensive positions along with the hotter bats should complement the pitching staff. "I am looking very forward to working with this group of young women and am hoping for a brighter season," Fancher said.

"It is my hope that our players will learn valuable life lessons while here, and that they will take something positive with them when they leave our program and use the gifts God has given each of them to the fullest. I am blessed as their coach to have the opportunity God has given me to help make a positive impact on their lives during their two years here."

The 2005-06 bulldog golf team includes: L to R, Nick Turner, Joseph Presley, Chris Ford, Coach Kay Jenkins, A.J. Lunsford, Josh Snow and Chris Tharpe.

## Bulldog *It's on the Fairway* Golf

There is hope that the recent success of the Holmes Community College golf program will carry over to the 2005-2006 season. The program is under the leadership of new golf coach and Ridgeland history instructor, Kay Jenkins.

For the past three seasons three players in the Bulldog golf program have been offered the opportunity to play in the NACJC National Golf Tournament. Matt Garren played in Scottsboro, Ala., last season and finished 37<sup>th</sup>. He shot 72, 73, 75 and 76. In the 2004 tournament, he finished tied for 25<sup>th</sup> shooting 77, 75, 71 and 79. Britt Johnson had the opportunity to play in 2003 but was

unable to play.

The Bulldogs have three returning players from last season, Joseph Presley, Chris Ford and Nick Turner. Also added to the mix are A.J. Lunsford, Josh Snow and Chris Tharpe.

"I feel like I have six strong players," Jenkins said. "Each brings to the team certain strengths." The team practices at Lake Caroline and Deerfield Country Club in Madison.

The former Mississippi College instructor also teaches political science classes. She holds a bachelor of science degree from Blue Mountain College and a master of social science and a master of history and political

science from Mississippi College.

Jenkins and her husband, Timothy, live in Madison with their two children, Callie, 10, and Neil, 8. Timothy is employed with Jackson Plating and the Air National Guard.

The former college tennis player has coached golf for 15 years. "I played tennis in college and when I graduated, I was burned out on that so I really began to work on my golf game," Jenkins said. "I play in a lot of the local tournaments and really love the game." She is a member of Lake Caroline Golf Club and the USGA.

# Bulldog *Swing* Tennis

The Holmes Community College tennis team features three male returnees and two female returnees to a squad that made a great showing in the state tournaments last season.

Head Tennis Coach Andy Wood returns for his seventh season as head of the tennis program. Sam Shields of Kosciusko and Brent Sesser of Eupora are the male returnees and Kayla Edwards of Kosciusko is the only returning female.

Shields, who played No. 3 and No. 4 singles last season, should move up because of the experience he gained last season. "He did a really good job for us last season," Wood said. "He's also played tennis all summer so he should be even better."

Sesser, who played No. 2 singles last season, played tennis this summer with Shields. No. 1 player John Simmons of Yazoo City did not return this season and Sesser moves up to the No. 1 spot this year. "He's a solid tennis player," Wood

said. "He had a good year last year."

Edwards, who played No. singles last year, improved during the season last year, Wood said. "I hope she'll have a good sophomore season."

The spring of 2006 brings many newcomers to the team. The team includes fresh talent and eagerness to compete.

## Bulldog Even you can play... Intramurals

by Johnathan "J.C." Coleman

For some students, intramurals is an escape from the everyday life on the Goodman Campus. It serves as another chance for those students to be athletes. Of course the opportunity for physical exercise is good for the players and many get a chance to relive some of their earlier years, having been involved in competition. In some cases the talent level is somewhat unbalanced and it is evident that some of the students take the game more seriously than others.

Intramurals' most positive effect has to be that it serves as something to do. The time spent either watching the games or playing the game saves some from doing things much less worthy of their time. It seems that the sports are popular among the students and the atmosphere is enjoyable.

Heading the intramural games is first-year assistant men's basketball coach, Jason Flanigan. Flanigan has enjoyed the intramural program. He believes that the positive involvement allows the students to interact among themselves and show that all students

can participate in athletics. Coach Flanigan also feels that intramurals is most helpful to the students because it encourages exercise. Surprisingly the games have been competitive during most of the two and a half hour periods. Flanigan has managed to successfully take on intramurals and being an assistant coach. One of Flanigan's concerns has been the limited amounts of time. Recruiting and traveling with the basketball team has occupied most of Coach Flanigan's time. The time issue will change as the school year progresses.

Coach Flanigan and Keith Simmons watch the intramural basketball games.

C.J. Thomas shoots the ball during an intramural basketball game.

## Ask a Sophomore

*What do you like most about Holmes?*

"Dances and Basketball Games." – Tondra Sanders

"Making friends that last a lifetime." – Shinetra Townsend

"Choir, Connection Performances, move night, Fall Fest, Spring Fling."

– Amy Sanders

*How do you juggle activities and classwork?*

"Learn to use time wisely. Between classwork, activities, and a job, you can get stressed. I make out a time chart and try to go by it faithfully." – Beth Lawson, General Studies

"I try to make effective time slots for everything that is needed to be done." – Rich Griffin, Accounting Major

*How do you make your dorm room your home away from home?*

"I put pictures of all my family on my walls and mirrors, I bring home-cooked meals from home, and items from my room at home." –Deirdre Young

## Ask a Freshman

*What is your favorite student activity at Holmes?*

"CHOIR!!!" - Dewayne Summerville, Rachel Marks, Emily Butler

"The waterslide that takes place during Spring Fling." - Laquacius Baskin

"Basketball." - Tierria Floyd

"3 on 3 basketball." - Markice Wilson

*How do you juggle activities and classwork?*

"I spend much time studying at school or right before I go to bed. Then during the in-between, I do what I've got to do." - Henry H. Parham

"Not well. I'm a very busy girl." - Marlie Mixon

"I don't know how to juggle." - Rachel Marks

"With great skill!" - Emily Butler

# Girls just wanna have fun!

(Above) Candace Cain, Erin Legg, and Bethany McAdams take time out from ambassador work and enjoy a baseball game.

(Above) Michelle Moran strikes a pose. (Below) Niki Hines and Rose Killebrew enjoy back to school snow-cones.

(Above) Brittany Drake and Laura Shrock work hard at the alumni check-in table during homecoming. (Below) L to R: Brittney French, Lavokia Sandifer, and Tondra Sanders cheer on the bulldogs at a basketball game.

(Above) Jessica Daves and Emily Elmore get characatures drawn at fall fest.

(Above) McMorrough library is the study and work place of choice.

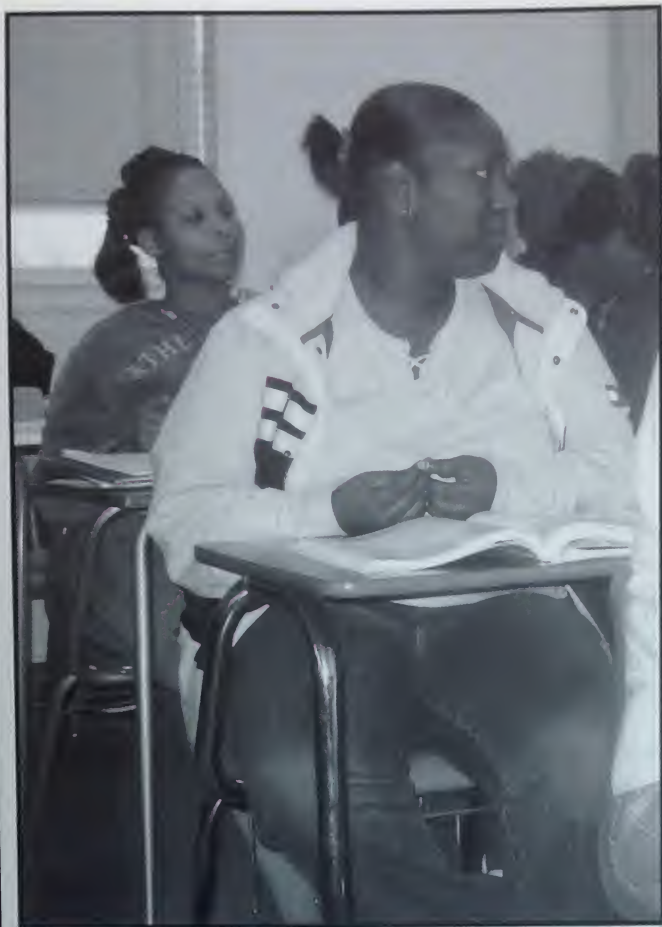

(Left) Nicole Hines, Kasey Pee and Rachel Ingram look over notes outside McDaniel.

**by Ashley Dees**

It's two in the morning. You're tired but you have an organic chemistry test in the morning and the notes are just blurring before your eyes. Cramming all night for a test is nothing unusual on a college campus and Holmes is no exception. In order to get the grade they want, students often cross their eyes into the wee hours of the morning just to ensure that they know the material needed for the test.

(Left) Students listen intently during class.

(Above) Lindsey, left, and Leslie Berryhill study to prepare for a major test.

# Crammin' and *Studying up* Examin'

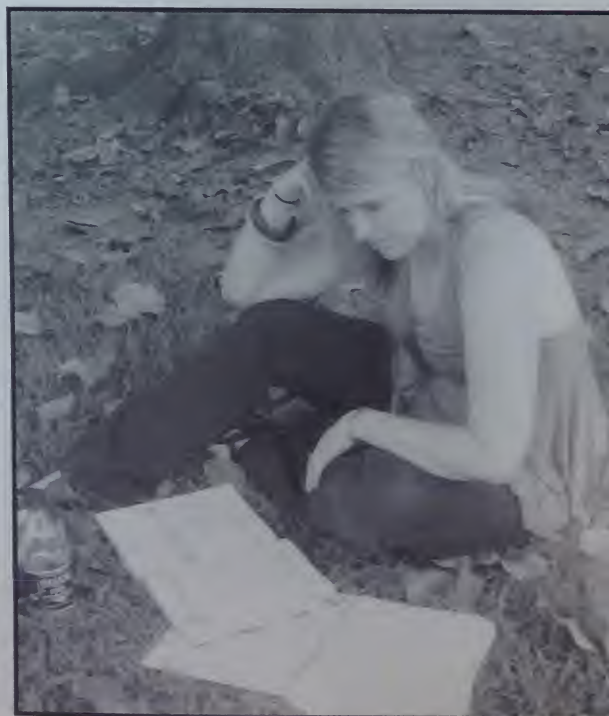

Some study tactics are a little bit different than those norms. Some students have full intentions of doing some cramming when they get in from class, work, or play, but get distracted by a movie or immediately fall asleep before they even glance at the notes. This often causes a rushed 'look over' before the test the next morning, while sitting in a desk with the teacher about to pass out the scantrons.

And, of course, there are some who don't study at all.

From natural intelligence, laziness or some unknown secret, some students would rather jump off the bridge than stay up late studying, exam or not.

Whatever approach it takes to get the job done, students manage to, or not to, get all the studying they need done.

(Right) Ashley Dees finds a peaceful location to review her notes on the Goodman Campus lawn.

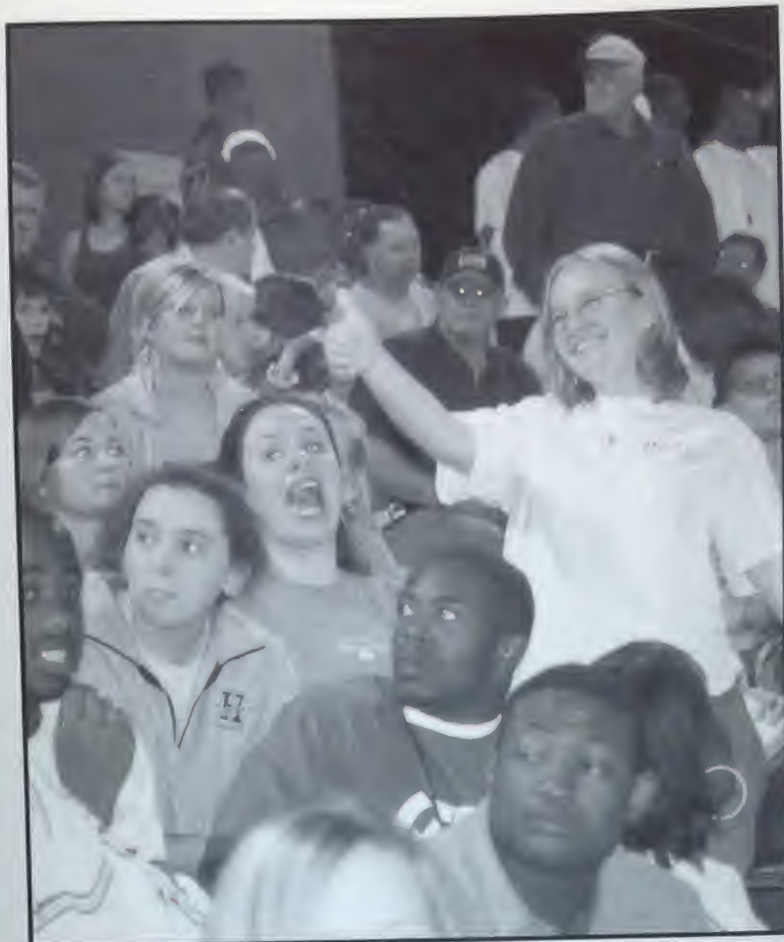

by Ashley Dees

After many classes and long hours of studying, the students at Holmes take a part of the night life. There are many activities whether it be hanging out at the Canteen or riding along dirt roads with friends. There is hanging out in the dorms with fellow dormmates and playing cards, watching TV in the dorm lobby or playing video games.

(Left) Chassie Kelly, Monica Moris and Ben Burton take advantage of the dominos activity provided by SGA.

(Far Left) Tamara Jackson, Lurena Robinson, Tiffany Hubbard, Laverna Smith, Adrieme Walker and Erica Shell hang out. (Left) Stephanie Puckett gives HCC a thumbs up.

# Gettin' Out *Night Life* And About

SGA provides activities for the students every chance possible. The activities can range from dominoes to bunko. Intramurals give everyone a chance to be athletic and keep students busy with football and basketball games.

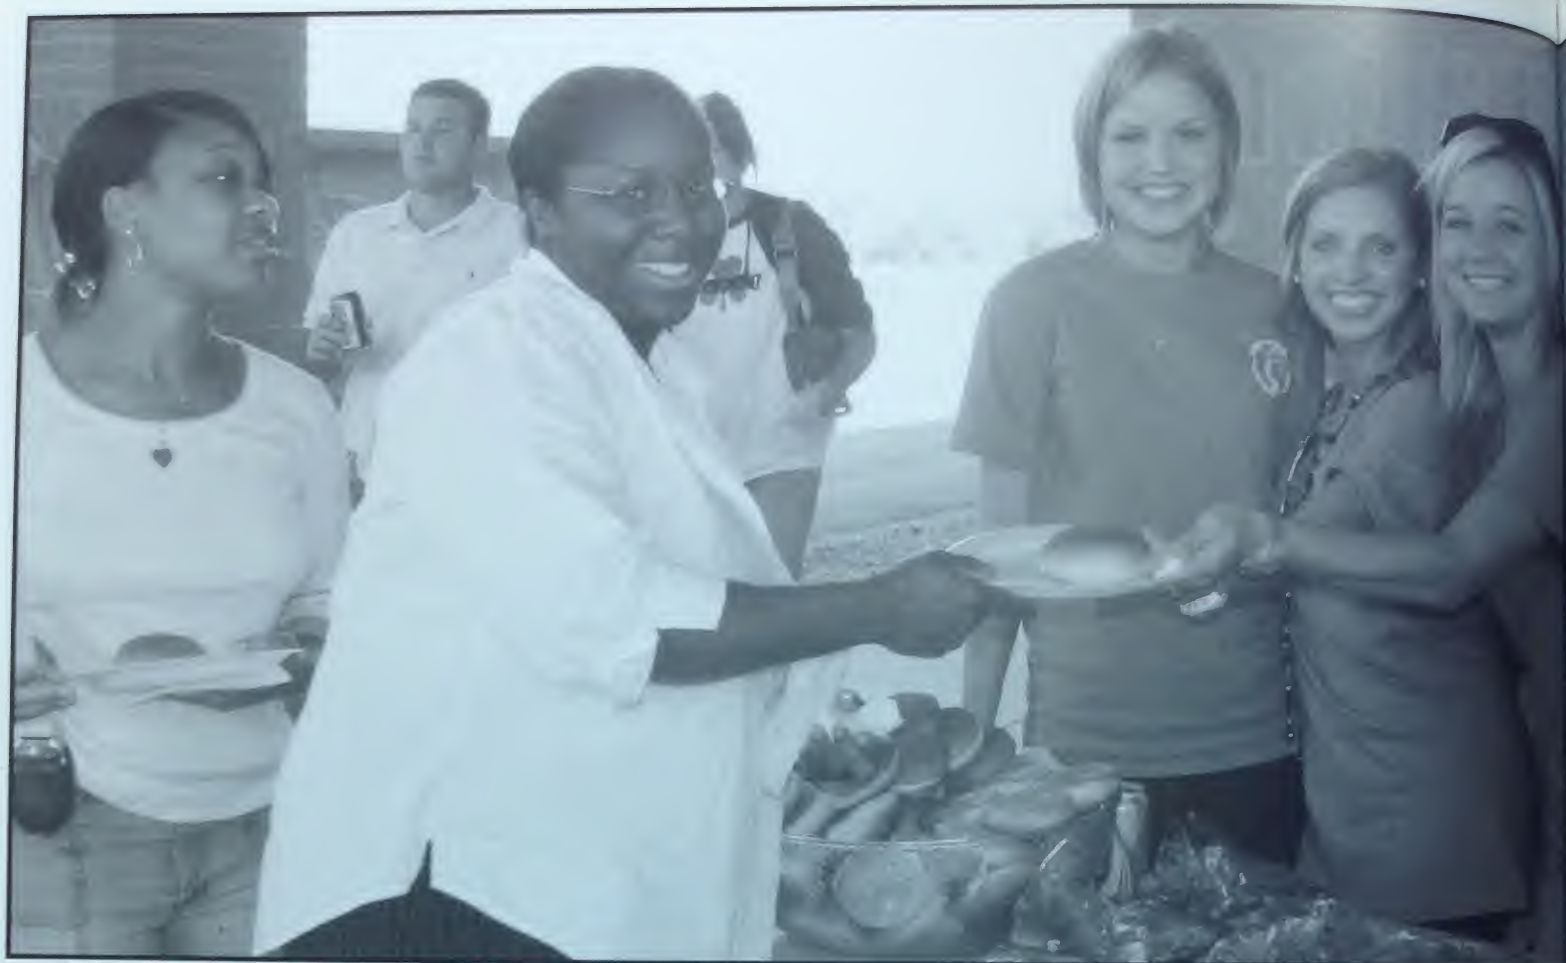

For activity off of campus, many students resort to riding back roads with friends or going to organized spots of congregation for socialization. With Jackson only about 45 minutes away from the Good-

man Campus, many students take advantage of that and going to take in a movie, going to eat out or to the mall. Any activity to fill the time between classes and study sessions is more than enough for a Holmes student.

(Right) Danny DeFord plays guitar at Coffee House.

by Ashley Dees,  
Lindsey Berryhill,  
and Leslie Berryhill

*"I'm hungry. So, so, so hungry."* That is a common chant for college students. Food is almost as important as grades to students and Holmes delivers with the on campus cafeteria and Canteen. The cafeteria offers different lines of food from pizza to salads to fit any diet.

For the students who prefer the privacy of a dorm

(Left) Shimera O'Neil enjoys her fries.

(Far Left) Ridgeland students enjoy the food at Fall Fest.  
(Left) Jerry Johnson eats lunch in the cafeteria.

# Get in *Snack attack* my belly!

for meals, many students turn to Ramen Noodles, Easy Mac, Hot Pockets and anything else that is microwaveable. With the different varieties of flavors, students are able to keep their tastebuds alive. The dorms are also the place to keep snacks around for easy access to food at any time of the day.

On campus grub is not the only way to feed yourself. Off campus eateries are a world of delicacy delights. Rick's Drive Inn is the pit stop

for many Goodman students at least once a week while Ridgeland or Grenada could stop at McAllisters. Fast food places like Sonic are the quick, cheap easy way to go if you're in a rush or you could stop and relax at sit down places like Kittrell's or Red Lobster.

So, whenever the little 'I'm hungry' chant begins, there is something to pacify it with.

(Right) Jeremy Pickle at the Tyson Chicken line.

**by Ashley Dees**

If you are ever in the need of a manicure or a simple hair cut and you don't want to drive all the way back to your hometown and pay outrageous prices, the Cosmetology Department has you covered. The Cosmetology students offer their services to you in exchange for a much lower price and a check over by the instructor, Patty

(Left) Kellye James shows precision as she cuts Danielle Williams's hair.

(Far left) Brittany Stonestreet chats up her client as she sits under the dryer. (left) Leslie Nabors, Shar-rel Mays, Kellye James, Hannah Watkins and Casey McClellan smile as Danielle Williams gets washed.

# I feel pretty... *Cosmetology services* ... oh so pretty

By: Ashley Dees

Roberts. Even though they are still only students and not licensed professionals, don't let that stop you.

Through willing Holmes students, the Cosmetology students get a chance to perfect their skills in order to pass the state board, which will allow them to be professionals. Their charges are minimal since Holmes students get half off with their Holmes ID. Sure, the ladies may still be checking notes or a book to make sure that they are

giving you a correct pedicure and Mrs. Roberts may be hovering around when you are getting a color done, but in the end, everybody wins. Cosmetology gets the extra client practice they need and you get a dirt cheap, but nicely done, hairstyle or mani-pedi.

(Right) Platform Specialist from a salon Memphis checks, specializing in color and highlighting, checks Thera Wade's color.

(Above) Shawn Bailey, left, and "Sarge" Campbell hang out in front of McDaniel Hall between classes.

(Above) Leslie Nabors and Hannah Watkins work hard to perfect their skills in cosmetology.

To Have the Final Word

# Year in Review

*We remember...*

Record high gas prices took a wack out of Holmes students' pockets. With some gas stations demanding over three dollars a gallon, many students found it was best to either carpool or not go anywhere. The gas prices also fluxuated up and down causing a guessing game everytime one went to the pump to fill up.

Former Holmes baseball player and alumni Roy Oswalt, pitcher for the Houston Astros was named the 2005 MVP for the Astros. He is pictured above with his wife Jennifer at the Wild Game Dinner held at Holmes in Feburary.

The McGowan building in Ridgeland almost reaches completion. When it is completed, it will supply training for employment opportunities and will be the finest, top-of-the-line training center in the Southeast.

To help raise money for Katrina Victims, PTK sponsored a Womanless Beauty Pageant. The event raised over \$400 and Coach Tim Bell was crowned Most Beautiful.

*"I remember the water slide, mechanical bull, and playing in the hurricane." ~ Kip Isenhead*

In 2005, the Fine Arts Department decided to do something a little different and host a Medieval Madrigal Feast. Brady Smart, above, plays the Jester in the musical comedy about the twelve days of Christmas.

"I remember Dallas's birthday party and ring around the jeep."  
~ Aunt Vaughn

Soldiers of the 155th Bridge were brought home from Iraq, bringing comfort to student and staff alike who had loved ones serving in the Middle East. Above, Caroline Barton's husband, David Barton, visits ancient Babylon.

"I remember when the football players threw my friends into the pond!" ~ Monica Morris

On August 29th, Hurricane Katrina ripped through the Mississippi coast at a Category four and hit the Holmes campuses with the force of a Cat One. PTK went down to Biloxi to help rebuild the coast.

Sequins exploded on the fashion scene from hobo bags to half sweaters; sequins were everywhere. Above, Ashley Dees exemplifies the trend.

"This year I played guitar in my first band." ~ Danny DeFord

# A Note From the Horizons Editors

This year has definitely been a wonderful experience filled with highs and lows. However, we rose above the lows to put together a book that you will be able to look back upon and remember the great times here at Holmes.

We would like to thank our yearbook advisor, Melissa Love. Without her creativity, dedication, and knowledge about our design program this yearbook would not have been possible. Steve Dif- fey, thank you for the many pictures you have taken and sports stories written and proofread. Nan Sykes, thank you for taking the time for proofing and re-proof- ing the yearbook pages. We would also like to thank our fall and spring staffs for tak- ing the time to sell ads, write stories, and input ideas. Your support has been irreplaceable. We would also like to thank the students and faculty of all three Holmes campuses for their participation.

Now that another school year has come to an end, we hope that you can look back into the pages of this book and remember the times at Holmes. Holmes is only the beginning of your ac- ademic and career success. May you take the experiences and expand your horizons!

*Ashley Dees and Lindsey Netherland*

(Above) Lindsey Netherland, left, and Ashley Dees strike a pose.

# 2006 Spring Horizons Staff

Staff members are: (front row, l - r) Matt Johnson, Lindsay Berryhill, Monica Morris, Leslie Berryhill, Ashley Dees, Rose Killebrew, Laura Shrock, Bethany McAdams, "J.C." Coleman; (back row, l - r) Brittany Roberts, Kasey Pee, Raffinee Jones, Kendra Seals, Kaila Douglas, Kimberly Curry, Terann Culpepper, and Danny Deford. Not Pictured: Lindsey Netherland, Nikki Hines, Chris Wilkerson, Josh Murtagh, and Carrie Dillon.

## Expanding our Horizons COLOPHON

Holmes Community College's 2005-06 Horizons, Volume 77, consists of 240 pages on a 9x12 format. The book contains 80# paper and Smyth binding. There are 24 color pages.

The 1,500 copies of the book were printed at Taylor Publishing Co., Inc., in Dallas, Texas. Our Taylor sales representative was Ben Allen. The in-plant account executive was Milani Arguelles.

The hard lithocote gloss cover portrays a photo taken by 2005 staff member, Ginny Land. This photograph of the Hawaii coastline was captured during the choir's spring 2005 tour. Graphic Designer and Taylor affiliate Stephen Williams of Oklahoma refined the yearbook staff's cover idea.

All pages were composed on a Macintosh G4 using the programs Photoshop CS® and InDesign CS®. Pages were built and organized using Taylor's YBPro! plug-in for InDesign CS®.

Expanding our Horizons is in the font Trajan Pro. Other fonts used are as follows: TimesT Roman, Times, GourmandT, Minion Pro, and Sleepwalker.

No spot color was used in the yearbook.

Portrait photographs were taken by Southern School Images, whose headquarters are in Jackson. The viewpoints represented in this yearbook are solely of the staff and in no way intent to reflect college policy.
